This Annual Is Dedicated In Memory Of

MRS. ALICE L. BROADWAY

The memories of Alice L. Broadway bring to mind a varied array of emotions. The talents and attributes of this respected lady were numerous. Her dedication, perseverance, and unique ability to deal with life's triumphs and tragedies were keenly apparent in her home, church, and community.

Alice L. Broadway was born December 2, 1923, in Bakersville, North Carolina. She was the daughter of the late Rev. and Mrs. G. P. Lanier. She and her loving husband, Rev. Ben Broadway, were the parents of four children. Pee Dee Baptist Association was blessed with Alice Broadway's service from 1959-1970 when Rev. Broadway served as pastor of First Baptist Church, Hamlet, and from 1980 until her death in 1985 at Gibson Baptist Church, Gibson. Rev. Broadway continues to pastor the church at Gibson with much dedication.

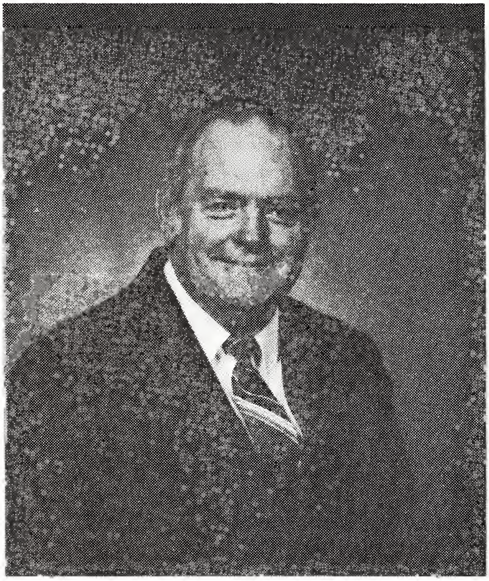
At the time of her death, Alice Broadway was very active in her church and community. She was a Sunday School teacher, adult choir member, and WMU Director. She was also instrumental in organizing Baptist Young Women and Mission Friends at Gibson. She was a member of the Scotland County Senior Citizens and the Gibson Book Club. She held a special place in the hearts of her church family and friends of the community.

Certainly, Alice Broadway would want to emphasize the importance of her relationship with her Saviour. It was through her love for her Lord Jesus, and His goodness to this servant, that all her other virtues were nourished. Let us be inspired by this special woman to develop the areas of our lives which will benefit our Lord and Saviour. Thank you, Alice Broadway, for making our lives richer.

With much love and admiration we dedicate this 171st edition of the Pee Dee Association Annual to the memory of Alice L. Broadway.

This Annual Is Dedicated In Memory Of

REV. CARL STRICKLAND



Rev. Carl Strickland, a faithful servant of God, was born in Fayetteville, North Carolina on January 17, 1927.

He attended Cumberland County Schools and High Point and Louisburg Colleges.

He was licensed for the ministry by Calvary Baptist Church, Fayetteville, North Carolina on April 9, 1961. He served in supply work until called as pastor of Tabernacle Baptist Church in December 1964. By request of Tabernacle Church he was ordained by Judson Baptist Church, Fayetteville, North Carolina on January 3, 1965. He served at Tabernacle for 17 years. The church enjoyed growth spiritually, financially and in numbers. During these years, a new parsonage and fellowship hall were built.

He was called to the McDonald Baptist Church, Rockingham, North Carolina in 1971 and served until God called him home on June 10, 1986.

He married Sarah Grace Hall and they had six children.

We are indeed grateful for his dedication to the service of God.

SUMMARY OF ACTIVITIES: Many blessings have been mine as your Chaplain during the past year. Praise the Lord that 17 professions of faith have been made.

The men appreciate your regular attendance with them. Many testify to their awareness of this as an act of love and concern. They especially enjoy the song services held throughout the year.

Everyone enjoyed the annual Christmas dinner and fellowship held on December 19.

We wish to express special thanks to the churches who participate in the services each month. Also, thank you to every church for your prayers and financial support. Continue to pray for each man to recognize and accept God's grace.

Libery Koontz, Chaplain

Evangelism Report

God has blessed North Carolina Baptists this year. The Good News America, God Loves You revivals were greater than anyone ever dreamed they could be. North Carolina Baptist churches reported the largest number of people attending the revival services than could be remembered in any revival. The number of people saved during the revivals was the largest in many years. In addition to these benefits the Bible distribution served to locate many unsaved and unenlisted. Rededications were at an all-time high in many revivals. To God be the glory for great things He has done.

More churches than ever before are getting involved in CWT and Lay Evangelism Schools. The training of the laity to be involved in witnessing will continue to be a priority in North Carolina Baptist evangelism.

Praise of Baptists for the "ads" for Good News America was received from the Catholics and Methodist for the message presented. They say it increased attendance in their churches as well as ours.

The 40th Statewide Evangelism Conference was held in Greensboro Coliseum, February 3-4.

The 1987 Evangelism Conference will be held February 2-3 at Greensboro Coliseum. Dr. Perry Sanders, Dr. Jerry Vine, Dr. Tom Elliff, Dr. Jack Taylor, Dr. Robert Hamblin, Jr., and Dr. Bill Shaw will be the speakers. Larry McFadden will lead the music with Pat Long and Rick Setzer as instrumentalists.

Fifteen regional evangelism meetings were held this year. These meetings are held each year to inform and educate leadership about coming events and programs. The meetings begin at 10:00 a.m. and last until noon with lunch being served. This year's emphasis is "Target Group Evangelism."

In June of this year the areawide Freddie Gage Crusade was held at Raider Stadium. There were 1,064 decisions made with 666 being made for salvation. Our local pastors faithfully followed-up on the decision with many baptisms resulting. Revival blessings are still being experienced among our people.

The regional evangelism for pastors and staff was held October 13, 1986, at 10:00 p.m. This was held in Fayetteville. We praise God that baptisms were up this year. Let us continue to work and witness that we may continue to see people come to know Him.

Respectfully submitted,
Lewis McLean, Evangelism Chairman

1986 Associational Sunday School Report

Southern Baptists have been challenged to get out of the four walls of their Sunday School classes and go out into the world with the gospel of Jesus Christ. The command of Christ in the Great Commission is not new: it is not novel. Yet it is still the primary mission of Christ's church and will be the mission until Christ returns again.

Sunday School leaders, pastors, and lay persons across the nation are answering the call to penetrate the world with the gospel. Churches are reaching out to the lost, the unchurched, the hurting, the dying, the lonely, the discouraged. Southern Baptists are responding to the challenge to be witnesses unto the uttermost parts of the earth.

Bold Mission Thrust has called Southern Baptists to take the Great Commission to heart in the twentieth century. It beckons us to try to share the gospel with every person in the world by the year 2000.

The rallying call for today's mission is CHALLENGE 10/90. CHALLENGE 10/90 is the role of Sunday School in Bold Mission Thrust. It is Southern Baptists' nationwide effort to reach a Sunday School enrollment of 10 million by September 30, 1990. It is the call to reach out, to touch, to share God's love, to turn a life around, to offer hope and meaning to a despairing, dying world.

While we in the Pee Dee have accomplished much in the past, we must continue to look forward to what is ahead. Your associational leadership is committed to helping you do a better job of reaching people. No matter how large or small you think your Sunday School is, you can be part of the challenge. Here are examples of goals you might consider for 1986-87:

* Work toward a S.S. enrollment goal that is 10 percent above your 1985-86 actual enrollment.
* Start at least one Adult or Youth Outreach Bible Study group.
* Train at least 25 percent of all S.S. workers in how to share their testimony with lost persons.
* Start weekly workers' meetings in at least half of your departments and classes.
* Provide Church Study Course books for at least half of your workers and encourage them to earn a S.S. Leadership Diploma.

Someone has said, "If you don't have a goal, any road will get you there." Decide now to set goals for your Sunday School and prepare for a great year in your Sunday School!

Respectfully submitted,
Al Tinnin,
Associational S.S. Director

Vacation Bible School Report

As the 1985-86 associational year closed, V.B.S. totals were slightly below those of the previous year.

The associational clinic was held on April 21, 1986, at Faith Baptist, Rockingham. Total attendance was 56 representing 15 churches.

My appreciation is extended to Faith for hosting the clinic and special thanks to the members of my V.B.S. team - John Starling, Janice Wood, Dot Gault, Ann Robbins, Rita Gibson, Terry Wallace, Nancy Rea, and Jennipher Love. Total enrollment for V.B.S. was 2,317 with an average enrollment of 1,780. Professions of faith increased by nine.

Now is the time to start preparing for 1987. Let's make it bigger and better for V.B.S.

Church Training Report

"M" Night was held on Monday, November 25, 1985, at the First Baptist Church of Hamlet. Rev. Claude Walker, pastor of the Wake Cross Roads Baptist Church in Raleigh was the keynote speaker. He gave an inspiring message on "The Lordship of Christ." Mrs. Grace Mims of the First Baptist Church of Rockingham gave a meaningful testimony about what Masterlife Discipleship Training had meant in her life. The adult choir of the Calvary Baptist Church in Hamlet shared a mini-concert of beautiful gospel music with us.

On May 5, 1986, Mr. Maurice Cooper, of the Church Training Department of the Baptist State Convention, spoke to our monthly associational ministers conference on the subject of "New Member Training."

Church Training is vital to the success of any Southern Baptist Church in accomplishing the Great Commission. It is my hope that more of our churches will give it the priority it needs.

Philip Y. Spears,
Associational Church Training Director

Brotherhood Report

The Brotherhood has been active this past year in the Pee Dee Association and I thank each of you who participated.

Two new Baptist Men's groups have been started. Rev. Harold Bell has organized a Baptist Men's group with Gilbert Watts as Director at Skyway Baptist Church. Rev.

Maxie Gardner, R.A. Coordinator for Richmond County
Robbie Hepler, R.A. Coordinator for Scotland County

Associational Music Report

A pre-Good News America Rally Music Seminar was conducted January 23, 1986, at Calvary Baptist Church. Mr. Charles Storey was our guest instructor. Fifty people attended.

An associational combined choir presented special music at the victory rally for Good News America Rally at First Rockingham on April 1, 1986. Forty-nine people participated.

A five session "song-leading" course was offered at Calvary Baptist Church three Monday evenings in May and two in June. Three people completed the course. Floyd Smith was the instructor.

An undetermined number of people from the Pee Dee Associational churches participated in the "Freddie Gage, Go Tell Crusade" Choir June 22-29, 1986. Many of the 150-200 in attendance nightly were "Pee Dee" people.

To provide better representation and communication within the music ministry of the association, zone leaders have been appointed as follows: Ellerbe-Rockingham area - Jennipher Love, Hamlet area - James Mynard, Laurinburg area - Becky Smith, and Laurel Hill area - Ronnie Gibson.

Floyd Smith,
Associational Music Director

Stewardship Report

On April 22, 1986, a Bold Missions Stewardship Conference was held at Revels Barbeque Lodge. We had a good attendance - over sixty (60) people from a good representation of our churches.

Our 1987 conference on "Church Money Management" is already scheduled to meet again at Revels April 28, 1987, at 7:00 p.m.

Mr. Marshall Ussery attended a Key Leadership Conference at Ridgecrest in May. Mr. Ussery shared this information with the association at Hamlet, First where we had our Planned Growth in Giving Conference. He stressed the fact that any church desiring to pursue this plan might want to contact Mr. Talmadge Williams, Stewardship Director of the North Carolina Baptist State Convention in Raleigh.

I think we should all remember "When we pay our tithes we satisfy a debt. When we give it is over and above."

Rockingham, North Carolina 28379

Dear Sirs,

We have examined the Balance Sheet of the Pee Dee Baptist Association of North Carolina as of September 30, 1986, and the related Statements of Income and Surplus and the Changes in Financial Position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the aforementioned financial statements present fairly the financial position of the Pee Dee Baptist Association of North Carolina at September 30, 1986, and the results of its operations and changes in financial position for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The *Biblical Recorder* Report

In a year that has been marked by tragedy, stress and disappointment, the people of God who call themselves North Carolina Baptists continue to witness and minister to our ever growing and changing state. The *Biblical Recorder* is a vital part of that Baptist family and as the official newsjournal of the denomination, it has enjoyed a stable and wholesome year of ministry at the side of hundreds of thousands of our people.

Readership of the paper is high. Comments, letters and other communications with the *Recorder* indicate Baptists read the paper and depend upon it for correct and vital information about the work we do together. That was the purpose of the paper when it was founded in 1833 and it remains a more important ministry now than even then.

Tar Heel Baptists are on the threshold of the greatest opportunity we have ever been given by God for witness and ministry in our state. That does not mean it will be easy. The minority status of Christians--fewer persons in North Carolina are members of any church than are not-- and the rising spirit of secularism make our task more difficult but at the same time much more imperative than ever. We must not fail.

Well-informed Baptists are more effective Baptists. The *Recorder* welcomes its assignment in the task of sharing the Good News of Christ. This year, we had a tremendous opportunity through the "Good News America, God Loves You" revivals and the paper was on the job, promoting and reporting on the crusades. As always, the *Recorder* will seek to inform, indoctrinate, enlist, inspire and provide a forum for Baptist thought and action as we work together to achieve God's purpose for us.

Despite a tremendous increase ($96,000) in the cost of second-class postage during 1986, *subscription rates will not be raised for the fifth consecutive year*. Many of the other major state Baptist papers such as the *Recorder* have already found it necessary to raise their rates, but the directors of our paper have been working with the editor to find a way to avoid any increase so that our churches and individuals can continue to get the paper at the lowest possible cost.

The rates are: Church Budget Plan, $5.00 per subscription for every resident family; Club Plan (four or more), $6.00; and Individuals, $7.00. If your church does not have the Every Family Plan, special introductory offers are available. Please contact:

Christian Life Commission Report

The Christian Life Commission is grateful for another year of ministry on behalf of the Southern Baptists. Through a wide range of programs and activities we have helped Baptists practice Christian Ethics in family life, race relations, citizenship, and numerous moral concerns. The agency has also used its personnel to work with other Southern Baptist agencies to increase its usefulness to Southern Baptist churches and people.

There has been a close relationship with Christian Life Committees in the association and in the local church. Church committees alone now number 1,525. In cooperation with the State Convention the Commission has provided support materials for the special emphasis days such as articles, and art work portraying the sanctity of human life, race relations, Christian Citizenship, and world hunger. National seminars dealing with "Applying the Gospel in the Local Church" and "Recovering Moral Values" were held in 1985-1986.

Applied Christianity was expanded through the production and distribution of literature, study guides, audio and video tapes and other resources, a new "Help for Families" series dealing with pornography, divorce, television, and changing roles in marriage came into being. Wider distribution of the Hunger Awareness/Action Guide enabled Southern Baptist to reach a new high in gifts for the relief of hunger. In 1985 the gifts totaled $11,830,146. A total of $10,625,897 went to the Foreign Mission Board and $1,204,249 was used at home.

The Christian Life Commission is encouraged by the response and support of the local church membership and looks to the future with faith, hope and a renewed commitment.

Baptist Retirement Homes

In recognition of the extended longevity of our senior adults the Baptist Retirement Homes of North Carolina have sought to inform a greater number of senior citizens across the state of the concern and response to the denominational community.

The size of the senior adult population in the next decade is expected to require an expansion of all existing services.

Construction of Continuing Care Communities in Asheville and Charlotte is already being given consideration as well as renovation of the campus in Winston-Salem.

Planning has begun beyond the standard services for more choices to be made available to these individuals for extended years of activity. Plans are also being considered for additional and possible home delivery of health services.

The past year has been directed toward improvement of existing services and retirement care, advancing to goals of:

- Sound financial management eliminated the need to increase residential fees again.
- Over $900,000 of benevolent care was provided to residents.
- The Cooperative Program and Homes and Hospital offering provided $785,000.
- Over 40 new residents were admitted to Home and Nursing Care.
- Renovation and construction of seven new housing units were completed in Willow Cove on the Winston-Salem Campus.

By remaining sensitive to retirement issues North Carolina Baptists can help assure a system of services adequate to the growing demand.

North Carolina Baptist Hospital Report

During the past year, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from all across North Carolina, from 31 other states and the District of Columbia. Eight patients came from outside the United States.

These people came to Baptist Hospital because it has the medical expertise and the technical equipment required to provide the health care they needed. For example, Baptist Hospital surgeons removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hair-bearing scalp in a kitchen fire. Around-the-clock efforts of surgeons saved the lives of nine young people who drank potasium hydroxide (lye) thinking it was wine.

Carbon dioxide laser is now being used to treat some cases of early cancer of vocal chords, usually leaving patients with normal or near normal speech. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This alternative to surgery saves money, pain and recorvery time for many patients.

During the past year, the medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly and also to transfer patients from one another hospital to another. The helicopter is equipped and staffed to provide emergency care for patients while they are in transit.

The School of Pastoral Care continues its outreach through its satellite centers in Fayetteville, Morganton and Charlotte with opportunities also in other communities such as North Wilkesboro, Lenoir, Asheville and Rockingham. (The Raleigh center has become independent.) The School of Pastoral Care provided clinical pastoral education to 694 ministers and trainees through a total of 71 CPE programs.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

During the past fiscal year, Baptist churches of North Carolina gave $566,307 through the Cooperative Program and $374,238 through the North Carolina Missions Offering. These gifts help make possible two of the distinctive ministries of the hospital: pastoral care and benevolent care. For these, the staff and the patients are most grateful to North Carolina Baptists.

Baptist Foundation Report

The purpose and objective of the Baptist Foundation has been, from the date of its incorporation and by the terms of its charter, to assist individual Baptists to find ways of continuing their support of all Baptist causes - institutions, agencies, mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school, and institution supported by Baptists.

In 1985 North Carolina Baptists placed over one million dollars in new trust agreements with the Foundation, making provision for the perpetual support of practically every Baptist cause. Endowment of Cooperative Program was a primary trust designation.

It is now possible through the Foundation for each Baptist to "Give it Twice," once to family, then to Kingdom causes. Through properly constructed trusts and wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than the estate portion they would normally receive through an ordinary estate distribution. With the "Give it Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes - forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting!

An indirect, but profound benefit of Foundation services to the local church has been the enhancement of individual stewardship growth and commitment. In nearly every instance, those who elect to commit to Kingdom use a portion of their estate assets, are during their lifetime more committed stewards. They *enjoy* their giving, and this happy, conscious stewardship dedication must be a profit for the church.

The Foundation seeks to inform Baptist people of:

1. Their responsibility as stewards to make provision for the future use of their resources.
2. The critical need experienced by all Baptist causes for endowment support - the ongoing, assured support of those who support them now.
3. Ways by which these realities may be met and accomplished.
4. Counsel in wise decisions for endowing *any* Baptist cause - for instance, the Foundation may discourage a trust for a cemetery fund if the church already receives more funds than are needed to maintain that cemetery.

In summary, every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregations find the best ways to do so.

Annuity Board of the Southern Baptist Convention Report

"1985 was an extraordinary year of growth and achievement at the Annuity Board. This phenomenal growth is a commentary on the vitality of the churches and agencies of the convention. Quite frankly, this is the basis for an almost unlimited optimism for growth and vitality," said Annuity Board President Darold Morgan.

Key statistical highlights in 1985 included:

1. Total assets managed by the Board as of December 31, 1985, grew to $1,689,798,415, an increase of more than $250 million over 1984.
2. A total of $43,747,325 was paid in retirement benefits to 15,127 annuitants.
3. Retirement contributions to members' retirement income accounts increased to $122,419,866.
4. A record 9,434 Southern Baptist pastors and church personnel joined the Church Insurance Program during a two-month open enrollment period.
5. Relief funds from the Cooperative Program totalled $551,132.
6. A 10 percent 13th Check was sent again to annuitants who retired before 1980. Annuitants who retired in 1980 or afterwards received this bonus in their monthly benefit checks.

Campus Ministries Report

North Carolina Baptists have some form of ministry on 47 college or university campuses across the state. A growing number of churches are also finding creative and significant ways to minister with students.

The Convention employs eight persons with primary responsibility for ministry in a specific university setting. We join with Baptist colleges in funding campus ministries in our seven schools, and we join other Christian groups in providing full-time ministers on two other campuses. In each of these settings our ministers work with student groups such as BSU, cooperate with university personnel in service to the institution, offer help to faculty and staff in personal and professional concerns and seek for ways of helping people on the campus work more closely with area churches.

During the 1985-86 school year students involved in Baptist Student Unions and on Baptist campuses pledged and raised about $50,000 for missions and ministry all around the world. A total of 150 collegians were trained in a week-long orientation period or are working under the direction of some department within the Baptist State Convention. New programs included semester service in Associational and related ministries for a dozen students, a summer internship in ministry with the Baptist Joint Committee, and the sponsoring of a resource team of three students trained and utilized by youth ministers and associational leaders across the state.

The first "graduates" of our unique Campus Ministry Associate in Missions and Ministry program in Charlotte, Joy and Chris Gamble, were appointed and are serving as student evangelists in Taiwan under our Foreign Mission Board. Mark and Stacey Pennington are the 1985-87 ministers in this program, which seeks to serve in Charlotte and prepare persons for careers in student ministry on the mission field.

Work with volunteer ministries in several locations is continuing to develop as lay people, church staff members, college faculty persons and associational staff lead out in the exciting ministry. Convention staff provides consultation and encouragement. This spring, five student leaders from these BSU's joined 13 others in a week of special training at the Sunday School Board. North Carolina's delegation of 18 was the largest (and, we feel, outstanding) as students from across the nation were involved in this leadership program.

Special conferences for international students, campus evangelism training and, Black Christian collegians were offered during the school year. Staff, volunteers and student leaders planned and guided these events. A conference for high school seniors, a leadership conference and a fall Baptist Student Convention involved over a thousand young people in Christian growth and challenge to stewardship of life.

Teams of students from BSU's and Baptist campuses all across the state led worship, planned youth revivals, sang or ministered through puppetry or clowning in hundreds of North Carolina churches. Students, under the leadership of ministers employed by your Cooperative Program dollars, are growing and sharing their faith in many ways because you care enough to provide Baptist Campus Ministry! On behalf of these who in God's power are our future, thank you!

Senior Adult Council Report

The senior adults of the Pee Dee Association have been busy with many things. The Council has met quarterly to plan and promote the work in the association as well as assist the work in the individual churches. Many of the local churches have planned monthly meetings. These meetings are planned to meet the social and spiritual needs, sometimes the needs are emotional or financial, often it is physical needs. The Associational Council has promoted attendance of symposiums, retreats, and rallies on ministry to the aging, from the local level to the statewide level. Some of our people have attended the state regional meeting at Wingate College, Campbell University, Caswell Assembly. A number of churches attended our own Associational Rally in

May at Roberdel Church. The Rev. Clieve Wilkie was guest speaker. Then in August some of us enjoyed a watermelon party at Ellerbe, First. This has been a good year but we need more churches involved.

Bobbie Lewis,
Senior Adult Director

Senior Adult Chaplain Report

The total attendance for the year was 890 and the average attendance was 17 per night. There were 52 Bible Studies conducted at Holiday Village. I visited the hospital in Richmond County, Moore County and Montgomery County. Also visited many times at Holiday Village. Had individual conferences with some and visited in the homes and had prayer. Chicken was distributed several times to them.

For activity we had an ice cream party and on two different occasions we had watermelon slicings. We gave the senior adults two big pheasant dinners and one covered dish dinner. Special guests entertained the adults with music one night. Refreshments were served after each Bible Study.

I would like to thank all the churches for their support both financial and volunteers and the many other things they did this year.

Respectfully submitted,
Wilbur Sullivan,
Senior Adult Chaplain

Associational Missions Committee Report

The Missions Committee has spent a very busy year. The following are major areas with which the committee worked.

1. PRAXIS Students - We had two students from Southern Seminary who worked with the Stewartsville Church and did survey work in the Laurinburg area. It was concluded that no new church is needed at this time in that area. They also surveyed the County Home Road and Wiregrass Road area of Richmond County.
2. Cobb Memorial Church also had a student from Southeastern Seminary who worked with them in the area of church development.
3. Cooperative Agreements - We wrote request for six agreements in which the Baptist State Convention will give us financial help in 1987. One agreement was for 1988.
4. Scotland Acres Church - This committee has continually kept contact with the Scotland Acres Church. We sought to re-establish it as a mission point but at this point no progress has been made.
5. Pastoral Aid - This committee made request for Pastoral Aid for one of our churches.
6. Race Track Ministry - This committee helped structure the Race Track Ministry in order to continue our ministry at the North Carolina Motor Speedway.
7. New Work - At the present time we are working with two groups with the possibility of beginning two new churches in our association.
8. Laotian Work - We are seeking to establish a ministry with the Laotian population in our county at the Pine Grove Church. This is one of the hardest ethnic groups to work with. Please pray for this new ministry.

9. Christian Family Life Center - One of the success stories this year is the beginning of a Christian Family Life Center. This is a Christian Counseling Center connected with the Baptist Hospital. This will certainly meet a good need in our association.

10. Summer 1987 - Our association has been approved for a "church enabler" during the summer of 1987. If your church wishes to have this person please state your need and make your request known to us.

There is also a mission trip planned for mid July 1987 to Connecticut. Rev. Scott Turner, Jr. will be the leader.

Respectfully submitted,
Leon Hawks, Chairman

Ordination Advisory Committee Report

The Ordination Advisory Committee has examined the following persons for ordination to the Gospel Ministry:

1. Sonny Diggs, at the request of Second Baptist Church on March 3, 1986
2. John Brady, at the request of First Baptist Church, Ellerbe on July 7, 1986

The committee recommended both of these men to their churches for ordination. It was the committee's feeling that both men have been called by God into the Gospel Ministry, that they have prepared and are preparing themselves for effective ministry, and that they both will be capable servants of the Lord and his people.

Members of the Ordination Advisory Committee are Clinton Bailey, William Kearse, Sr., William Leathers, Eugene McNair, and Fred Nordan.

Respectfully submitted,
William W. Leathers, III,
Chairman

W.M.U. Report

"Multiply the Vision"

This report comes from the W.M.U. Council with great humbleness and thankful hearts.

Carleen Hill has encouraged us to enlist and become Visionaries. As we reflect over 1985-86, we have seen many of our visions come true.

October 20, 1985, and March 3, 1986 - we found faithful volunteers out at the North Carolina Speedway eager to minister with coffee and donuts and offering a verbal witness under the leadership of Alberta Freeman, Associational M.A.P.W. Director.

The adult Foreign Mission Study was taught at Cartledge Creek, also in the Anson Association by Mabel Carroll and Pat Peele. Your director attended the dedication of the new Centennial Building at Camp Mundo Vista January 8, 1986. This date marked our 100 years of North Carolina W.M.U. work. January 20 - Leadership Workshop was held at Roberdel Baptist Church.

"Reflection on Mundo Vista" was the theme for the G.A. Get-together held at McDonald Baptist Church. Marcia McQueen and Tammy Herring were the guest speakers. The G.A.'s and their mothers gave $65.00 on our new Mundo Vista building.

February 18 - Home Mission Study was taught by Rev. Dot Bell, G.A.'s by Janet Plyler, and Acteen's by Brenda Bullard.

Baptist Young Woman's Annual Meeting was February 25th at Hamlet, First, "A Time of Sharing" with Rennie Hunnsucker as the guest speaker.

March 8 - Acteen Annual Meeting held by Debbie Tankersley and the Association's Acteens.

April 28 - Laurinburg, First - "And Now . . . Tomorrow" was the theme for our

W.M.U. Annual Meeting. Each former associational director was presented a W.M.U. centennial vase.

May 27 - Pine Grove held the second associational Baptist Women Recognition Service.

December 1985 - Polly Warren and 20 ladies from different churches wrote materials that were compiled and published in the book form entitled, "History of Woman's Missionary Union Pee Dee Association." Copies were presented to the Southern Baptist Convention W.M.U. Archives in Alabama and the state office in Raleigh.

Baptist Women Salad Suppers were held each quarter. Vivian Cavazos and Shirley Tuttle have done an outstanding job with this activity.

As we close this 1985-86 year with our leadership conference September 29th, our vision is to see each W.M.U. member become a visionary.

Respectfully submitted,
Pat Peele,
Associational W.M.U. Director

Resolutions Committee

Be it resolved that we, the messengers to the 171st Annual Meeting of the Pee Dee Baptist Association, express:

First, our deepest gratitude and praise to God for His great blessings upon us as individuals, churches, and an association, during this past year.

Second, our sincere appreciation to Pastor Eugene McNair and the people of the Calvary Baptist Church for their gracious hospitality and for the use of their facilities for our annual meeting.

Third, our sincere appreciation to the Order of Business Committee for the informative and inspiring sessions they have arranged, and to each speaker, musician, singer and program participant who have made this a meaningful and helpful meeting.

Fourth, our sincere appreciation to all retiring officers and committee members for their faithful and efficient service to the association during the past year.

Fifth, our sincere appreciation to, and a call to prayer for our Director of Missions, Dr. Ben Gault, Secretary, Ms. Lannell Suggs, and the officers and committee members of the Pee Dee Baptist Association who will lead us this coming year, and for every church which make up this association.

Ben Broadway, Sr. , Chairman, Don Malpass,
Liberty Koontz, Billy Lynn, Mack Thompson

Director of Missions Report

Looking at the task of the Director of Missions from a statistical point of view, one finds these statistics:

Churches attended	299
Meetings attended	88
Miles traveled	18,206

More important is the question of what was the results of these statistics. As is found in some other reports the "Good News America" revivals were a success. The race track ministry is becoming more and more a Pee Dee Baptist Association project.

For ten weeks beginning in February a student intern, Mike Shumate, worked with Cobb Memorial Church. For ten weeks during July til August two Seminary students from Louisville, Kentucky worked in Scotland and Richmond counties researching where and if new church starts were needed. Stewartsville Church graciously assisted with housing for these. In August a seminary extension center was begun in order to work with inmates at the Wagram Prison. Rev. Ralph Waters is presently leading this.

As we look at the next year and following year, our plans are to participate in an associational-wide mission venture. Tentatively, the place has been identified as Southbury, Connecticut. The dates are July 10-18 with Rev. Scott Turner, Jr. as the leader. This is a town of 17,500 persons with no Baptist church of any type. In fact, no evangelical church at all except one Assembly of God Church.

Locally, our goal is to begin offering the ministry of the Richmond Christian Family Life Center on November 10, 1986. This will operate from 12:00 noon until 8:00 p.m. each Monday. It will be located at Rockingham First Baptist Church. Pine Grove Church is working with the association and the Home Mission Board to begin a ministry with Laotians of our area. Still, a little more distant in the future, is the dream of a partnership evangelism experience. At present, we are corresponding with the Baptist Union of Great Britian and Ireland, with the hopes for this to materialize during 1988.

Pray for your association as we work togethr collectively to share Jesus Christ with the people of Richmond and Scotland counties.

Respectfully submitted,
Benjamin S. Gault, Jr.

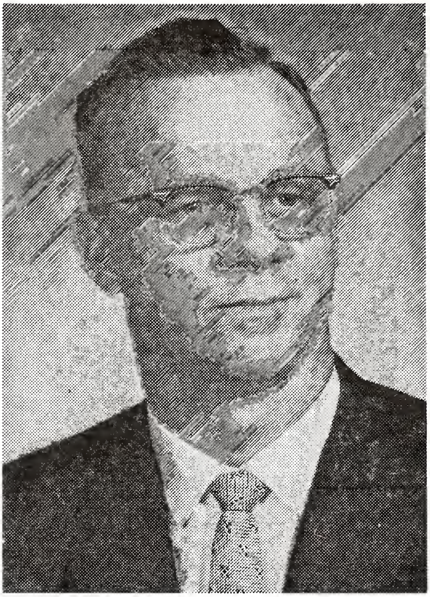
This Annual Is Dedicated In Memory Of



Reverend Hoyle E. Langford
1916 - 1986

The Pee Dee Baptist Association is greatly indebted to Rev. Langford for his leadership as Director of Missions for the years of 1967 to 1969. He was called as director of missions for the Pee Dee Baptist Association after a period of eleven years had passed without a Director of Missions. The foundation provided under his leadership made possible many of today's happenings.

Rev. Langford and his wife for 48 years are the proud parents of two sons and two daughters. Ordained with his oldest son in 1962, Hoyle Lanford, at age 45, made a major change from the business world to the ministry. For most people this would have been difficult but for a layman already engaged in ministry the change was relatively easy. He had been successful as a business man and he became a successful minister of the Gospel.

Rev. Scott Turner, Jr., chairman of the Petitionary Letters Committee, gave recommendation to the Pee Dee Baptist Association, meeting in their 172nd annual session that the Richmond Baptist Church be received into the fellowship of our Association. He further recommended that a time be set during the evening session to extend the hand of fellowship to those members present with us at that time. Harold Bell seconded and carried. Bro. Turner also moved that the association ask the constitution committee to study the procedure by which a church can proceed into the watchcare or fellowship of the association and spell out specific guidelines for the procedures and responsibilities of the committee involved. Harold Bell seconded and it carried.

Dr. Ben Gault, in consultation with the moderator, has discussed the matter of the copiers in our office. We purchased a new copier that will do 80,000 copies a year, not knowing that in the future the present old copier would give completely out. Parts, if they can be found, and repair and labor costs would be around $500 or more. Our option is to buy a small copier to help with the work load or repair the old one that has over a million copies on it and hope that it would last. Wayne Tuttle made a motion to purchase a new copier and it was seconded by Lewis McLean. The motion carried.

Dr. Leathers presented the Long Range Planning Committee members: Lawson Horton, Chairman; Rennie Hunsucker, Dot Bell and Leon Hawks. Two other members are to be added to this committee. Rev. Bobby Stafford, Associational Development Director of the State Convention, will be leading the training of these committees. A retreat will be held in July of 1988.

Wayne Tuttle made motion that we invest at least $1,000 over the next three months in office furniture for the D.O.M.'s office. Glen White seconded and carried. This is supposed to be over and above the budget. The moderator is to appoint a committee who knows something about office furniture to look into the purchasing of this.

17. Wilbur Sullivan, Association Treasurer, presented the treasurer's report.

18. Bill Thompson, Auditor, presented the auditor's report as a matter of information.

19. The budget was presented by Tom Poe, Finance Chairman. He made the motion that the October - December 1987 Budget be adopted with two changes: (1) add $450.00 to item 606 for office insurance and (2) add $500 to item 607 for contract on office copiers making the total budget $19,385.68. Also on the January - December 1988 budget we ask that the Executive Committee be permitted to amend the budget to take care of the insurance in the life and/or meidcal insurance premiums for the Director of Missions and secretary at their January meeting. Harold Bell seconded and it carried.

Wayne Tuttle moved that the moderator appoint a committee of three people to investigate the feasibility of the Pee Dee Baptist Association investing in BTN to use in our churches through the association and bring a report back to the January or April executive committee meeting. Dean Orbison seconded and passed.

41. Dr. Ben Gault brought his D.O.M. report. He spoke of the plans for a WMC in 1989. In April of 1990 the Baptist State Convention has planned for Simultaneous Revivals again. Also in 1990, the association will be celebrating its 175th birthday and we hope to plan a party.

42. The hymn "The Church's One Foundation" was sung by the congregation.

43. A time was opened to the congregation for sentence prayers thanking God for what He has done and guidance in our lives.

44. Special music was presented by James Mynard, Margaret Smart and Dean Orbison.

45. The message was brought by Dr. Don Reed, Associate Director of Volunteers Enlistment with the Foreign Mission Board. His message was an encouragement to get involved in missions. His scripture was from Matthew 28:18-20.

46. Installation of officers by Dr. Gault followed. The new officers were challenged as officers of the association to remember that they are here to serve the people not to be served. They are to offer suggestions, cooperation and support and in return the association will promise the officers cooperation, support and their love.

SUMMARY OF ACTIVITIES: Praise the Lord for 12 professions of faith this past year. Continue to pray that many more will come to a saving knowledge in Jesus Christ as we start a new year.

With approximately $80,000.00 in the Chapel fund, we hope to see construction begin during this year. We believe the Chapel will encourage more attendance and create a more reverent atmosphere at our services.

It is your Chaplain's desire that more churches or Brotherhood groups will invite him to speak with you and acquaint you more fully with prison ministry and how you can become involved and receive blessings. We wish to express special thanks to the churches who already participate in the services each month. Also, thank you to every church for your prayers and financial support.

Prayer Task Force Report

Since no report of the Prayer Task Force's 1986 activities was recorded at the 1986 Annual Meeting, the committee feels their continuing efforts for a prayer ministry should be recorded for future reference. Bill Kearse, Sr. worked diligently with Eugene McNair as co-chairman of the Freddie Gage Crusade. Winnie Weatherly was crusade telephone chairman and Juanita McGowan was crusade prayer chairman. Both women spoke about Prayer for Spiritual Awakening at two Methodist churches. Alma Quick assisted with organizing over 100 prayer groups. A men's prayer breakfast brought God's chosen together to pray for a crusade harvest. One hundred twenty women from nine denominations prayed in one accord at a Prayer Rally that changed many women's lives. God heard the prayers of hundreds at the crusade while about 20,000 heard God's message. The crusade, the largest in Richmond County in most of our life-times, especially touched the youth of our area. Pastors and counselors witnessed joy in hundreds of lives lost in sin. God performed many miracles in this Spiritual Awakening.

The 1987 Prayer Task Force Committee met in August with Dr. Ben Gault and Rev. Robert Tyson. Rev. Tyson reported on the National Conference on Prayer for Spiritual Awakening at Ridgecrest in April. It is the prayer of all members that every pastor and church leader will attend the (now) annual conferences for personal revival. We encourage pastors to lead their members in self-examinations of their lives and motives. The W.M.U. and Brotherhood have emphasis on prayer, which is necessary for missions. However, deacons, Sunday School teachers and other leaders should have a personal encounter with God before they are trusted with His word or work. We are witnessing spiritual awakenings in some of our churches but they are only tiny flickers that God is waiting to ignite into an eternal spiritual flame that will burn across the earth to prepare for His coming. II Corinthians 7:14.

Juanita McGowan,
Association Prayer Task Force Chm.

1986 - 87 Evangelism Report

The highlight of our associational year has been planning our associational evangelism conference. This conference carries back to the association the spirit of evangelism felt at the State Evangelism Conference.

Our theme for this conference is "Rekindling The Fires of Faith." We will meet at Roberdel Baptist Church on November 5 and 6. You will receive more information each week.

"New Frontiers: Evangelism" has been our theme for 1986-87. Many of our churches have taught the module "Training Sunday School Workers in Evangelism" this year. We need one million trained Sunday School workers if we are going to reach our goal of sharing the gospel with every person in the nation by 1990.

The attendance of the pastors at the state evangelism conference and regional meeting has been great. Most of our churches have two revivals a year and are committed to reaching people for Christ.

We are proud of the evangelistic services our association provides for the thousands in our counties.

As your associational evangelism director, I appreciate your support and your concern for lost people.

Lewis McLean,
Association Evangelism Director

1987 Sunday School Report

Southern Baptists have been challenged to get out of the four walls of their Sunday School classes and go into the world with the gospel of Jesus Christ. The command of Christ in the Great Commission is not new. We must still go and teach those who are lost about Jesus Christ.

This is one primary goal of your associational Sunday School team. We want to be of help to you and your Sunday School this year as you do the Lord's Commission. We have been trained in all areas of Sunday School work and we are available to your church in any way we can help.

The theme of Baptists this year is "The Year of Laity in Evangelism." What better instrument of the church to accomplish this than the Sunday School in your church. The most effective arm of Evangelism in the church should be the Sunday School as it reaches out to the lost in the community through Bible study. Would you pray with us that the Sunday Schools of the association would be reaching for Jesus in 1988.

Yours in Christ's service,
Wayne Tuttle, Assoc. Sunday School Director

Pastoral Ministry Report for 1987

The newest program in our Pee Dee Association is the Pastoral Ministry Program.

The purpose of this program is to be of assistance in a supportive way to the ministers of our association. We have tried to do this by promoting fellowship among ourselves this year.

On September 12, we had a fish fry at Pine Grove for pastors/wives and one other couple from each church and a group of State workers from the Baptist Building. This was an excellent time of fellowship and getting to know one another better.

Would you pray for this program as it continues to grow in our association?

Yours in Christ's service,
Wayne Tuttle, Assoc. P.M. Director

Associational VBS Report

As the 1986-87 associational year closed, VBS totals showed an increase over the previous year.

The associational clinic was held on May 4, 1986, at Pine Grove Baptist Church, Rockingham. Total attendance was 79 representing 14 churches. Our associational VBS team attended state training and presented excellent conferences for each age group. Special thanks goes to Wayne Tuttle (Directors and Pastors), Lawson Horton (Adult), Dean Orbison (Youth), Mavis Watson (Older Children), Carla Yarbrough (Middle Children), Jenny Brady (Younger Children), Crystal Leathers (Older Preschoolers), Beverly Spears (Middle Preschoolers), and Dot Gault (Special Education). Our appreciation is also extended to Pine Grove Church for hosting both the Early Bird Breakfast for pastors and VBS directors on April 4 and the Associational Clinic on May 4.

Thirty-one churches in our association conducted Vacation Bible Schools this year. Involved were 574 preschoolers, 1,087 children, 460 youth, and 258 adults. Two churches (Roberdel and Pine Grove) provided special education departments which enrolled 50. Total enrollment was 3,043 with an average attendance of 2,424.

There were 129 professions of faith made during VBS this year. This is a significant increase over the previous years. There was one commitment to church-related vocations. VBS has been an excellent outreach tool for the Pee Dee Association this year. Identified as not being enrolled in any Sunday School were 299 pupils and 375 parents. Churches in our association added 322 prospects to their prospect files as a result of VBS this year.

Pine Grove and Ellerbe First enrolled 55 in Backyard Bible Clubs in Richmond County. Roberdel conducted 5 Mission Bible Schools with an enrollment of 115 on their mission trip to New York.

As we look toward 1988 churches are urged to: (1) secure VBS directors and faculty as soon as possible so that adequate preparation can be made. All VBS workers are encouraged to attend the associational clinic on May 3, 1988! (2) Get involved in the "VBS Link-up Plan" through which churches in our association help each other conduct successful Bible schools. If your church is interested in linking up with another church (either as sponsor to provide leadership resources or as recipient), please contact the association Sunday School or VBS directors. (3) Consider the many benefits of conducting Backyard Bible Clubs in your community in order to reach unchurched children and parents!

Jenny Brady,
Associational VBS Director

Annual Brotherhood Report

A quick glance at the past reveals that the associational brotherhood was very active for the year 1986-87. This may be in part the result of the excellent guidance that our state brotherhood director, David Langford, gave us as we worked in a partnership for this year.

A quick run-down reveals the following activities:

1. The brotherhood assisted in the ministry twice at the North Carolina Motor Speedway.
2. A crusader car competition, under the leadership of Tom Wesson and Jerry Frye, was held in November of 1986 and September of 1987.
3. A brotherhood workshop was held, under the leadership of David Langford, in October 1986 and September 1987.
4. Jim Kirby shepherded a R.A. Basketball League.
5. In January of 1987, a men and boys rally had excellent attendance. Rev. Stan Cabell, a minister who uses magic to convey the Christian message, was the speaker.
6. During the summer, men and boys participated in three mission construction ventures. One was building a new church building in Southbury, Connecticut. Another was reworking an existing church building in Carthage, New York. A third was assisting in the construction of a new church building in Albemarle, North Carolina.
7. Nine brotherhoods of the churches of the association collected money to purchase and ship a baptismal pool to the church in New York.
8. Men and boys from several of the churches worked at cleaning up and refurbishing a church building at Mangum in Richmond County.
9. Doug Russell attended the Baptist Men's World Alliance and Lay Witness meeting in Germany.
10. The R.A. Chapter at Pine Grove won the state RA Chapter of the Year award.

These are great past accomplishments but one should always strive to be a better servant. Some of the goals of the Pee Dee Associational Brotherhood are:

1. To introduce and promote High School pupils as Baptist Young Men.
2. To develop a men's prayer group in every church of the association.
3. To identify and promote mission action activities such as local and away mission projects.
4. To continue emphasizing men and boys learning and developing in the service to Jesus Christ.

Bob Spears,
Association Brotherhood Director

Report of the Petitionary Letters Committee

Concerning Richmond Baptist Church

We heard from our Director of Missions that the Missions Committee of the Pee Dee Baptist Association had met and recommended the acceptance of the Richmond Baptist Church into our fellowship. A meeting of the Petitionary Letters Committee was called for Saturday, October 17, 10:00 a.m., at the Richmond Baptist Church. Present for the meeting were Dr. Ben Gault; Rev. Bruce Goodwin, pastor, and Eddie Chance, deacon, of the Richmond Baptist Church; and two members of the Petitionary Letters Committee, Scott Turner, Jr. and Ruby Buettner.

The Richmond Baptist Church was received under the watchcare of the Association by the Executive Committee retroactive to the date of the Associational Meeting last year. They have had three meetings with the Missions Committee. They baptized 4 people last year and now have 40 members. They are meeting in a temporary location on U.S. 1 South near its junction with Hwy. 220. They have been contributing through the Cooperative Program and to associational missions during this year. The church participated in the Associational Enlargement Campaign with great enthusiasm.

Their pastor, Bruce Goodwin, was ordained after an examination by and recommendation of our Ordination Advisory Council. He is presently a student at Southeastern Baptist Theological Seminary.

The Petitionary Letters Committee recognizes that this is a small group and that they have not had wide experience in Southern Baptist life. We were most impressed with their goals, dreams, programs, plans, and commitments.

We recommend to the Pee Dee Baptist Association, meeting in their 172nd annual session, that the Richmond Baptist Church be received into the fellowship of our association. We further recommend that a time be set during the evening business session to extend the hand of fellowship to those members present with us at that time.

For the Petitionary Letter Committee
Scott Turner, Jr.

Dear Sirs:

We have examined the Balance Sheet of the Pee Dee Baptist Association of North Carolina as of September 30, 1987 and the related Statements of Income and Surplus and the Changes in Financial Position for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the aforementioned financial statements present fairly the financial position of the Pee Dee Baptist Association of North Carolina at September 30, 1987 and the results of its operations and changes in financial position for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The *Biblical Recorder*

There's good news and bad news!

The bad news is that during 1987 there have been some very embarrassing things happen which hindered the work and witness of Christians across our state, the nation and the world.

The good news is that Baptists have done more, given more and cared more about a lost and needy world than ever before. And it was reported in the *Biblical Recorder*!

The state Baptist paper for North Carolina always tries to tell it like it is - the good, the bad, the victories and the warts - with an emphasis on the good because there is so much good being done by our people as they take seriously the Great Commission from our Lord.

Some Baptists are well-informed, some misinformed, and some uninformed. The *Recorder* tries each week to present the news and activities of Baptists so that all will have the opportunity to be the best informed. As our state grows and there are more challenges every day for witness and ministry, our Baptist people need to be at their very best with information and insight into the situations. Never in the history of North Carolina has there been a greater moment for Baptists to make known the Gospel and help people live in the manner of Jesus.

Readership is strong, but we want every reader and subscriber possible so that more Baptists can know the opportunities and victories within our fellowship. The paper is a bargain - only $5.00 per year for the Church Budget Plan! For half the price of a first-class postage stamp, the *Recorder* comes into Baptist homes each week.

For the sixth consecutive year there will be NO INCREASE in the subscription rates. Despite the fact that second-class postage costs went up more than $90,000 in 1987, the *Recorder* directors have agreed to leave the subscription prices as they are so that the greatest number of Baptists can benefit from the paper at the lowest costs.

If your church does not have the Budget Plan, we urge you to consider it for 1988. Special introductory offers are available. Please contact:

May God help us all to work together to share the Good News with the world, starting where we are and reaching to the ends of the earth.

Respectfully submitted,
Mary Foreman

Baptist Retirement Homes of North Carolina, Inc.

Baptist Retirement Homes for older adults are moving forward in three broad directions.

1. Speaking for Older Adults - Baptists are being made aware of the particular needs of Older Adults and also recognizing the significant contributions they can make to the well-being of the churches and associations of the Baptist State Convention.
2. Quality Care - During 1987 the "Homes" continually developed creative ways to meet the needs of Older Adults. The Homes are able to offer "sub-acute" care as well as skilled nursing to residents. Albemarle Home is attempting to provide quality care opportunities to Older Adults who still reside in the local community.
3. Ground-breaking for a new Continuing Care Retirement Community in Winston-Salem will take place this fall representing all "Homes" long range plans in Asheville, Charlotte and the East.

The "Good News of Jesus Christ" reaching out in service to Older Adults offers concrete expression to the love of Christ for all people. Through the support of North Carolina Baptists, this ministry of love is made possible.

Baptist Children's Homes of North Carolina

In behalf of Dr. Blackwell, the staff, trustees and children in care, we gratefully acknowledge your support through your prayers, concern and financial resources.

Four major emphases occurred during this exciting year at the Children's Homes:

1. There was a reorganization of group care on the Mills Home campus in order to more effectively deliver services to children and families. Intentionalized Services will focus on specific tasks needed by our clients in order to regain their ability to function as a whole or independently in society.
2. Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls, was opened in Macon County. We are grateful to our Lord and to the people of Western North Carolina in realizing this dream in 1987.
3. The process of Long Range Planning, which in today's complex world of child care can only extend up to five years, was begun. As a basis for this LRP, accrediation by the National Association of Homes for Children was awarded in 1987. We are only one of three NAHC accredited child-care institutions in North Carolina. We believe you share in this accomplishment.
4. Partnership in cooperation with the WMU, Personal Evangelism, Baptist Men and the Department of Aging have been both rewarding and exciting. We are grateful for their willingness to assist in informing the Baptists of North Carolina on this child care ministry.

We are delighted to report that more than 50 of our youth made a profession of faith in Jesus Christ during this church year.

Our commitment to you is to be good stewards of that which is entrusted to our care as we offer quality services on four group care campuses, eight emergency care homes, in our foster homes, at our therapeutic camping program, through the child development center and at our maternity home. Our mission remains firm:TO HELP HURTING CHILDREN AND ASSIST BROKEN FAMILIES. We encourage you to help us by promoting the 1988 Homes and Hospital Offering in May and Cooperative Program stewardship.

Update/Pembroke Area Family Services: The Odum Home staff continues to seek excellence in providing services and resources for hurting children and their families. This past year has been a good one for the dedicated staff and children/youth in care. We have often been able to rejoice as family members have been reunited, thus fulfilling one of our desired goals.

The Baptist Men and Women's Missionary Unions of our area Baptist churches have been involved in meeting many of our needs. We are grateful for their expressed interest, prayers and support.

Plans call for a continuation of our efforts to beautify and enhance our campus and cottages. We also renew our commitment to provide quality child care for some of God's loveliest children.

Through your prayers and generous gifts, we continue to be laborers together for God.

Association Representative

North Carolina Baptist Hospital Report

Baptist Hospital performs a ministry to any who avail themselves of its services.

The purpose of its existence demands that it have the very best that medical science can offer. For this reason, during the past year, more than 1,000 patients had heart surgery. Twenty-seven received kidney transplants. As of June 1, 1987, four successful heart transplants had been performed.

Baptist Hospital was the first hospital in the United States to use the lithotripter successfully to break up gallstones. Among other areas where the hospital is equipped to provide the latest in patient care is through the Air Care Program and the transplanting of living bone tissue.

During the past year, the hospital has admitted 22,973 patients for a total of 186,321 days of patient care. In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. There were 2,747 patients who had outpatient surgery.

Baptist Hospital's Pastoral Care Department continues to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education and human enrichment events. In the Pee Dee Association a Satellite Center of this department has been established. It is known as the Richmond Christian Family Life Center.

Baptist Hospital greatly appreciates financial and prayer support from the Baptist churches of the state. With this support it can not only minister to those in need of medical care but can also attract foundations and individuals who want to see this kind of facility in North Carolina. However, we should remember that Baptist Hospital does not exist to give all Baptists of the state free care but none is turned away if there is a lack of funds.

Christian Higher Education

North Carolina has six colleges supported financially by the North Carolina Baptist State Convention: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate. Wake Forest University, our oldest institution of higher education, has a continuing "fraternal and voluntary" relationship with North Carolina Baptist and the Council on Christian Higher Education.

The results of a recent survey, which was sent to more than 24,000 lay persons and pastors in North Carolina, revealed that there continues to be a strong, positive attitude toward Baptist colleges. Ninety-nine percent said Christian education should remain a high priority in North Carolina Baptist life. Over 80 percent rated our Baptist Colleges as outstanding or good. Ninety-five percent believe the quality of education is equal or superior to education provided at state supported schools.

According to the survey the main strengths of Baptist colleges are the quality of education offered, the Christian commitment of faculty and the spiritual emphasis on the campuses. Cost was listed as the major weakness.

There are many good reasons why our Baptist young people should consider attending a Baptist college. First, in Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership occupations is emphasized including church-related vocations. Christian education not only prepares students for making a living but more importantly it is the best preparation for living a life.

Next, all of the Baptist colleges are small and manageable. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers know students by name and are available to advise and counsel between classes.

Last, but certainly not least, Baptist college life provides an excellent opportunity to develop lasting Christian friendships. Quite often students choose a husband or wife while on a college campus.

In the survey mentioned above 65 percent of the respondents felt that Baptist students do not receive sufficient information about Baptist colleges through their local church. Each church is encouraged to continue to place heavy emphasis on Christian higher education and to strengthen programs and activities designed to inform our young people about Baptist colleges and encourage their attendance.

Senior Adult Council Report

The Senior Adults of the Pee Dee Baptist Association have been very busy during this year. The Council has tried to meet each quarter to plan the work of our Senior Adults. We have heard many suggestions for the upcoming year. Many of our churches meet monthly for fun, fellowship and spiritual enrichment. Other churches have expressed their desire to get a group organized and to get more of our Senior Adults involved.

The Senior Adult Council has encouraged attendance at all our meetings. Last October 1986 a large number attended a three day retreat at Caraway. Then in April the District Rally was held at First Baptist Church in Lumberton. A bus load went from our association. A great day for all of us! Also in May we had our quarterly meeting at First Baptist in Rockingham and heard reports from our different Senior Adult Groups and realized we are really working. Then in August we held our final meeting of the year at Roberdel Baptist. Dr. Harold Dye, a great giant in Christian service, was our guest speaker. A good time was had by all.

We are busy now making our plans for our work in 1987-88.

We have had a good year in service but we need each adult in our association to help us make next year a great time in our service for our Lord.

If the Council can be of any assistance to any church in the year's plans, please let us know. We desire to be busy in service for our Saviour and the Senior Adults.

Flora M. Ussery,
Senior Adult Director

Seminary Extension Report

The following is a report on the Seminary Extension Courses taught at the Wagram Prison.

Classes began in June of 1986. We began informal studies in the New Testament. In August of the same year we began teaching the basic curriculum series, "The Life of Christ." October of 1986, upon request of the students, we changed to the college level curriculum and began the three course study of the Old Testament. This study was completed on May 28, 1987. These classes met regularly on Thursday evenings 5:30 to 7:30. Continuing education credits were given to students through Richmond Technical College as well as letter grades from Seminary Extention. Credits were based on class attendance and grades on attendance and satisfactory completion of test assignments.

During the past year 27 inmates and one (1) correctional officer participated in an official capacity. We had a minimum of ten and a maximum of 15 enrollment in individual classes. All inmates at the prison were encouraged to come to the classes at any time. During the year many did come and sit in on classes from time to time.

The overall response to the classes has been good. Class participation and interest has remained high among those attending. As the weather warms attendance has dropped with inmates preferring to remain outdoors as long as possible. I personally feel the material and discussions presented have been received with openness and willingness to learn and grow.

On behalf of the inmates and myself I wish to express deepest appreciation for the sponsorship of the Pee Dee Baptist Association and the Seminary Extension of the Baptist State Convention. I personally want to thank Dr. Gault and Dr. Corbin Cooper for their personal support during the past year.

May God richly bless you in your ministry to our Lord Jesus Christ.

In His Service,
Ralph C. Waters

Richmond Christian Family Life Center

The Richmond Christian Family Life Center will be in existence for one year in November 1987. Things have moved at a very rapid pace since the opening day.

It was agreed that an evaluation would be made at the end of the first six months. At that time it was learned that a total of 47 clients had been ministered to. The income for this period from the clients was $3,568.00 which was forwarded to the North Carolina Baptist Hospital along with $840.00 client supplement.

The client load was such that a second counselor was secured beginning September 21, 1987. Rev. Gary MacFarland is the second counselor. He is off to a good start. This enables the center to serve 14 clients each Monday.

The present status is very optimistic with people with varied needs being ministered to. You are asked to support this ministry with prayerful concern. Everyone is also encouraged to consider financial support either through the local church or through individual gifts. An annual buget of $11,300.00 from local sources seems a small amount to pay for such wonderful help and care being available locally. If you desire further details, please contact the center.

Glenn White

Missions Committee Report

Our Missions Committee has continued to look for areas of service throughout this year. We have made great strides in several areas and we wish to share them with you.

In the area of resort ministries, we have continued to sponsor the worship services and personal witnessing at the North Carolina Motor Speedway. This continues to be a growing ministry. The plans have been made to continue this, we hope, for the years to come. We also began a new activity this year. We presented a gospel music concert and personal witnessing time at the Richmond County Fair for two nights. Approximately 200 persons attended these two events.

Another new endeavor was a worship service on Easter Sunday morning for the Sports Car Club of America at the North Carolina Speedway. This is by invitation only and we are hoping to be invited back next year. After the Association accepted the Richmond Baptist Church under watchcare, we have served as counselor and advisor. We have given assistance to the Mangum Mission endeavor. While this is not in operation at the present time, we hope this effort is not dead but can continue at a later date. The Committee also organized financial assistance for one of our sister churches. We recommended to the North Carolina Baptist State Convention to give church growth assistance to two of our churches.

We helped to guide and give support to the Hispanic Group in Ellerbe. A spanish-speaking class has been completed and we are hoping to start another soon.

We were also given the one-time task of awarding ministerial scholarships from the money set up this year that has been put into trust. We awarded scholarships to two Baptist students and authorized a continued investment of the principal at a rate of 10 percent.

The Missions Committee encouraged the use of the Richmond County Christian Family Life Center. The Center now is operating with two counselors and continues to be a success.

The Association participated in two mission trips during the year. One to Southbury, Connecticut, led by the Rev. Scott Turner. Here 19 people helped construct a new church building. The other was to the Long Falls Baptist Church in Carthage, New York led by Rev. Leon Hawks and Dr. Ben Gault. Here the baptismal pool purchased by the Associational Brotherhood was installed, and other construction work completed, five Backyard Bible Clubs were held, and one mission of VBS was conducted. There was also a lot of survey work completed.

We are looking forward in the coming year to our evangelism rally in November and to our world missions conference in 1989. We ask that you remember the mission efforts with our association in your prayers and remember our mission efforts must include your participation.

Respectfully submitted,
Leon Hawks, Chairman

After discussion and hearing the candidate's testimony, the group recommended that Calvary Baptist Church proceed with ordination as a Southern Baptist Minister.

WMU Annual Report

GIFTED TO SERVE - CALLED TO ACT

The women of the association have studied their watchword this year and have found God calls women to many places of ministry. We thank Woman's Missionary Union for the opportunity to use our gifts.

One of these gifts is prayer. We have shown this in the printing of Baptist Women Prayer Calendar which has grown to 1500 copies. Also when 95 women join together to pray on Baptist Day of Prayer.

The gifts of *Leadership* and *Teaching* were used as the WMU Council led two leadership conferences with a total of 325 women being trained. These women with their gifts also went back to their church to teach their members. The teaching of the Home and Foreign Mission studies and *Yours For the Giving*, a personal witnessing book, was taught by different council members.

Another gift was giving when 310 Christmas boxes were given to the men at the Richmond Correction Center and the kits for the migrant workers. *Hospitality* was a gift shown when McDonald Baptist Church had the Baptist Women Sweetheart Banquet. Also when Second Baptist hosted the Baptis Young Women Annual Banquet.

The gift of *Love* will continue as the first Linda Wilson Acteen Scholarship of $300.00 was given to Wendy McDonald for her outstanding work in Acteens and her love for missions. There will be a special offering taken at each annual meeting for the continuation of this scholarship.

The gift of *Sewing* was shown at our September leadership conference, Alberta made each WMU Director a WMU bag. She also made a beautiful Centennial tablecloth and two aprons to use this 1988 Centennial year.

The gift of *Friendship* was used when the "GA Bring a Friend" meeting was a big turn out of fun and learning. Their pictures were in "Tar Heel Talk" with Brenda Bullard and Janet Plyler.

We have had a very outstanding year of growth of members and organizations. We received recognition for our age-level growth and being again distinguished on our achievement guide from Woman's Missionary Union of North Carolina.

We look forward to another year as we "Labor Together."

Pat Peele,
Association WMU Director

Resolutions Committee

Be it resolved that we, the messengers to the 172nd Annual Meeting of the Pee Dee Baptist Association, express:

First, our deepest gratitude and praise to God for His great blessings upon us as individuals, churches, and an association, during this past year.

Second, our sincere appreciation to Pastor Harold Bell and the people of the Skyway Baptist Church for their gracious hospitality and for the use of their facilities for our annual meeting.

Third, our sincere appreciation to the Order of Business Committee for the informative and inspiring sessions they have arranged, and to each speaker, musician, singer and program participant who have made this a meaningful and helpful meeting.

Fourth, our sincere appreciation to all retiring officers and committee members for their faithful and efficient service to the association during the past year.

Fifth, our sincere appreciation to, and a call to prayer for our Director of Missions, Dr. Ben Gault, Secretary, Ms. Lannell Suggs and the officers and committee members of the Pee Dee Baptist Association who will lead us this coming year, and for every church which makes up this association.

Director of Mission's Report

This 1986-87 year has been a very busy year. As indicated in other reports there have been many projects and activities. Some of these have been successful and some have been not quite so successful. All have had as the over arching goal the desire to strengthen the local church. This is the reason for the existence of the Pee Dee Baptist Association.

These activities have resulted in the Director of Missions traveling 18,464 miles while attending services with 229 church congregations and 165 meetings of church groups. It has been a pleasure to share in these experiences. These statistics do not include meetings and counseling performed at the office.

It would be very difficult to choose one activity as having been " the best." Each served its own need. Perhaps the best part of the report is in events to come. The association has voted to participate under state convention leadership in "strategy planning" for 1988. This is to dream the future and plan how to achieve this dream. It will include such things as worship emphasis in 1988 and a world missions conference in 1989.

No report would be complete without a great big "thank you" to the churches for the financial support given to the association in 1986-87. For the first time ever as near as can be determined the income of the association exceeded the annual budget. It is only through a love for missions on the part of the churches that this happened. Thank you and Praise the Lord.

Yours in Christ's Service,
Benjamin S. Gault, Jr.

CONSTITUTION

Preamble

We, the members of Baptist Churches in Richmond and Scotland counties, state of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I -- NAME

The name of the Association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II -- PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III -- MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the state and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its constitution and bylaws affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall make application to the Associational Missions Development Committee by written application. If recommended by this committee and confirmed by vote of the Association the church shall agree to come under the watchcare period of the association. During the watchcare period the church shall meet the conditions of Bylaw IX. Upon the recommendation of the Associational Missions Development Committee, acceptance into the full fellowship of the association shall be confirmed by a 3/4 majority vote of the association in Annual session. During the watchcare period members of such church shall have all rights and priviledges of the association except holding office and voting.

Session 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperation practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV -- MEETINGS

Section 1. The Association shall meet in annual session the week following the third Sunday in October on the day, or days, and as such hours as the Executive Committee may approve, upon recommendation of the Committee on Order of Business.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of 50 members or less shall be entitled to three messengers. One additional messenger shall be allowed for each addititonal 50 members or major fraction thereof, provided no church shall be entitled to more than 10 messengers. These shall constitute the voting body of the Association. The names of the messengers printed in the minutes shall only include those atttending and registering at the sessions of the Association.

ARTICLE V -- AUTHORITY

Section 1. The Association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not.

CHRISTIAN HIGHER EDUCATION

Students earning higher education degrees in North Carolina are in a position to have an extensive moral and intellectual effect on our state and nation. They become teachers, ministers, lawmakers, business executives, scientists, doctors, etc., heavily influencing religious, social, economic, and political values and priorities. Thus, the role of Christian higher education in our society is very critical.

North Carolina Baptists have been providing higher education opportunities in a Christian enviroment since the beginning of Wake Forest College in 1834. Chowan College was later founded in 1848, Mars Hill in 1856, Campbell in 1887, Meredith in 1891, Wingate in 1896, and Gardner Webb in 1905. Approximately 18,000 students attended the seven Baptist colleges during the 1987-88 school year, taught by more than 1,300 dedicated faculty members.

Our Baptist colleges have always enjoyed strong financial support from North Carolina Baptists. Baptist families also support them by sending their youth to them for a strong Christian liberal arts education. Our colleges have a strong tradition in preparing well qualified church and community leaders. However, they need our support now more than ever before to enable them to maintain and strengthen the Christian influence higher education can have on the future direction of our state and nation.

Doug James,
Assoc. representative

RESOLUTIONS COMMITTEE

Be it resolved that we, the messengers to the 173rd Annual meeting of the Pee Dee Baptist Association, express:

First, our deepest gratitude and praise to God for His great blessings upon us as individuals, Churches, and an Association, during this past year.

Second, our sincere appreciation to pastor Bill Leathers and the people of the First Baptist Church of Rockingham for their gracious hospitality and the use of their facilities for our Annual meeting.

Third, our sincere appreciation to the Order of Business Committee for the informative and inspiring sessions they have arranged, and to each speaker, musician, singer and program participant who have made this a meaningful and helpful meeting.

Fourth, our sincere appreciation to all retiring officers and committee members as well as those still active for their faithful and efficient service to the association during the past year.

Fifth, our sincere appreciation to, and a call to prayer for our Director of Missions, Dr. Ben Gault, our Associational Secretary, Ms. Lanell Suggs and the officers and committee members of the Pee Dee Baptist Association who will lead us this coming year, and for every Church which makes up this Association.

Footprints In The Sand

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes of his life.

For each scene he noticed two sets of footprints in the sand. One belonging to him and the other to the Lord. When the last scene had flashed before him, he looked back at the footprints and noticed that many times along the path there was only one set of footprints in the sand. He also noted that this happened during the lowest and saddest times in his life. This really bothered him and he questioned the Lord. "Lord", you said that once I decided to follow you; That you would walk all the way but I noticed that during the most troublesome time of my life there was only one set of footprints. I don't understand why, when I needed you the most, you deserted me. The Lord replied, "My precious, precious child, I love you and I would never leave you. During your times of trials and suffering when you see only one set of footprints It Was Then That I Carried You."

I Didn't Have Time

I got up early one morning
and rushed right into the day;
I had so much to accomplish
That I didn't have time to pray.

Problems just tumbled about me
And heavier came each task;
"Why doesn't God help me," I wondered.
He answered, "You didn't ask."

I wanted to see joy and beauty
But the day toiled on, gray and bleak
I wondered why God didn't show me.
He said, "But you didn't seek."

I tried to come into God's presence,
I used all my keys at the lock.
God gently and lovingly chided,
"My child, you didn't knock."

I woke up early this morning
And paused before entering the day
I had so much to accomplish
That I had to take time to pray.

SUNDAY SCHOOL REPORT

Southern Baptist have the greatest program of Bible teaching in the world through Sunday School. We also have the greatest opportunity to evangelize our community through our Sunday Schools. Increasing the evangelistic efforts of Sunday School is a continuing focus of the Southern Baptist Sunday School Board. By October of 1988 the Plan of Salvation will be included in all Sunday School lesson periodicals, Sunday School Leadership and devotional material and V.B.S. materials.

There will be two major events in the Association for Sunday School this year. One of them will be a "Outreach Bible Study Clinic" in February and the other is the study of the Challenge Books in the Spring. Let me encourage you to make plans to involve your church in these two training sessions.

There are some new videos at the Associational Office on "The Growth Spiral" and "Basic How To" of Sunday School workers. If I can be of help to your Sunday School please call.

CHURCH TRAINING REPORT

Church Training for the 1987-88 church year has been devoted to two major emphasis:

1. Providing to each of the Pastors in Pee Dee Association a copy of the 1988-89 doctrinal study book, The Doctrines Baptist Believe.

2. Initiating a Children's Bible Drill and Youth Bible Drill - Speakers Tournament program in our Association.

As of this date we are happy to report that the doctrinal study books for the new year have been sent out, and the Children's Bible Drill program has had its first gathering. On October 4, 1988, Pee Dee Association held a Children's Bible Drill and Youth Bible Drill - Speakers Tournament Overview. With this beginning, plans are being made to sponsor our first Pee Dee Associational Children's Bible Drill in the spring.

PASTORAL MINISTRIES

On March 11, 1988 the Bi-vocational pastors, their spouses, and two couples from thier churches met at the Sirloin Restuarant. There were 75 people present representing 13 churches. We had a great program and everyone expressed their appreciation for the State Convention providing this program.

Roberdel Baptist Church served as host for the pastors staff, and their families get-together on July 14, 1988. Rev. Tony Barker and his wife presented the program. Dr. Leathers and the Rev. Barker exchanged pulpits for the month of July. The Barker's are from Histon, Englan. Everyone had a great time and we are grateful to our association for making this experience possible.

WOMAN'S MISSIONARY UNION

"A CENTURY TO CELEBRATE-A FUTURE TO FULFILL" - The once-in-a-lifetime National Centennial Celebration was the event of the year! Many went to Richmond, Va. May 14-15 to celebrate. The Celebration emphasized the past, present, and future of WMU. More than 10,000 persons attended the celebration.

On the local scene, many of our churches celebrated with a Birthday Party for WMU. There was a Centennial Prayer Retreat led by Mrs. Nancy Wilkie. A Century to Celebrate-History of WMU was an event worth remembering, led by Mrs. Bea McRae, in which she opened up the past in a most exciting and refreshing way!

There was much celebration at the WMU Annual Meeting, held at Gibson Church. It was attended by more than 200 persons. Many were dressed in replicas of the clothing worn by our foremothers. The theme, "Between Yesterday and Tomorrow" was carried out by honoring the person in each church who had been a member of WMU the longest, and the shortest length of time. Miss Frances McManus of Gibson Church ws honored as Miss WMU.

The two Leadership Conferences in September and January were well attended. I encourage leaders of WMU organizations in our churches to be trained to be more effective in our Lord's work.

The Baptist Women celebrated with their "infamous" Salad suppers and the Baptist Woman's Day of Prayer. The Baptist Women Recognition Service honored 17 Baptist Women. The celebration continued with the Baptist Young Women and Acteens Annual Meetings at which missionaries told of their work.

Also as part of our celebration, the National Missions Prayer Plan was introduced to our church families. This plan involves the church in praying for Missions and Missionaries.

We can also celebrate the fact that WMU was once again Distinguished. As we launch into Century 2 of WMU, we do have a Future to Fulfill in the sevice of our Lord, Jesus Christ.

Vivian Cavazos,
Assoc. WMU Director

THE BIBLICAL RECORDER

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The Biblical Recorder believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the owrk of the Lord as Baptists do it....if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the Recorder informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchial form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only $5.00 per subscription for the year. Special introductory offers are available. Please contact:

The conference theme was "Stewardship; Distinctives of a Christian Lifestyle". The purpose of our meeting was to teach and emphasize Biblical Stewardship concepts that should govern our whole life under the Lordship of Jesus Christ.

A packet of materials was given to each church to help us develop and encourage faithful stewardshipp in all areas of our lives. The staff of our State Convention Stewardship Department is available to assist our churches in promoting faithful stewardship to advance the cause of Christ in our world.

PEE DEE BAPTIST ASSOCIATION EVANGELISM REPORT

Evangelism is a priority in the order of God's business. God's people need training to do the most effective job in sharing our witness with the lost. Therefore, during the past year we offered opportunities to enhance the abilities of pastors and lay people. In November 1987 the Associational Evangelism Conference at Roberdel Baptist Church was a two day event. We had a tremendous slate of program personalities. In September 1988 a LES was held at Second Baptist Church in Hamlet, N.C. Dr. Roy Taylor did an excellent training school that was well attended by lay people and pastors. We now have a number of certified people within our association to lead LES training.

This gives us an opportunity to emphasize the effort by the SBC to have LES in our churches in the Spring of 1989. This is in process of equipping as many people in our churches to be able to share Christ with others as possible. Our goal is to prepare for the Simultaneous Revival Crusades in our churches during the Spring of 1990. Dr. Ben Gault will lead the associational training for the simultaneous revivals in January 1989. We will also have another Associational Evangelism Conference on March 23, 1989. Dr. Lewis Drummond will be our featured speaker and special music will be provided. This conference is for the laity and the pastors. The year of 1989 is the "Year of the Laity" in the SBC. We thank God for you who make up the followship of our associaiton through local churches. Please prayerfully become involved in these opportunities for Christ during the coming church year.

Evangelism Chairman

ACCOUNTANT'S REPORT

Pee Dee Baptist Association
of North CArolina
Post Office Box 1565
Rockingham, North Carolina 28379

Dear Sirs:

I have examined the Balance Sheet of the Pee Dee Baptist Association of North Carolina as of September 30, 1988 and the related Statements of Income and Surplus and Cash Flows for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In my opinion the aforementioned financial statements present fairly the financial position of the Pee Dee Baptist Association of North Carolina at September 30, 1988 and the results of its operation and cash flows for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

* NEW ITEM ADDED

CHRISTIAN LIFE COMMISSION REPORT

There is a definite need for continued involvement of the local church as well as the State and Southern Baptist Conventions in particular issues.

A recent CBS/New York Times poll indicated drugs as America's number one problem. It has also become a hot political item as the 1988 elections draw near. Alcohol and other drugs exact an enormous cost in lost productivity. In 1985 the estimated loss to Alcohol was $65 million while other drugs cost us about $33 million.

Abortion is a key issue as more and more lives are destroyed in the process of prenatal development. We must work toward the end of induced abortion. We must also minister to the emotional and spiritual needs of the persons who suffer the trauma of an abortion. The churches of our association can now render a definite ministry to those facing the prospect of abortion through the recently organized Richmond County Citizens for Life.

In January of this year the New England Journal of Medicine reported the successful transplant of human fetal tissues into the brains of two Parkinson's diseased patients. This successful treatment brought responses from women who wanted to become pregnant, abort, and then use the tissues to transplant into relatives or themselves. There is a danger that the ethics of our society will be determined by advancing medical technology. Is it right to create human life and then simply terminate it...in order to preserve another human life? The Bible teaches that human life is sacred. As a gift from God, it must never become simply a "thing" to be used or abused.

Hunger is still a reality at home and abroad. Southern Baptists for the past ten years have contributed $64 million. The Home Mission Board has become a proven channel between the giver and the needy. The churches of the Pee Dee Baptist Association will continue to respond.

New cases of AIDS continue to arise at the rate of one every fourteen minutes. This disease is not a curse on Homosexuality alone. The number of children with AIDS increased 60% between January and November of 1987. In New York City approximately 50,000 women are infected with the virus. The disease is also being transmitted to their children. In 1987 148 children or one out of every 16 babies born during the month of December in that city carried traces of the AIDS virus.

Christians have always responded to the needs around them. The tragedy is that the response has not always been based on the teachings of Jesus.

SUMMER CAMP REPORT

August 1-5, 1988 were the dates of our first Pee Dee Associational Camp in a number of years. The camp is located about 10 miles South of Hamlet just off Highway #38. We had 123 campers and 60 staff members. Some of the staff members served all week and others worked one day. Young people grades fourth through ninth were invited to attend and the cost was $35.00 per camper. Our objective was to break even financially. Our income was $160.73 more than our expenses because our churches donated $1,200.00 worth of groceries.

The campers had Bible Study, Mission study and music each day. They also had time for swimming and all kinds of competitive sports. In the evenings everyone attended worship services which included Christian films as well as messages. Fifteen young people made first time professions of faith and many made deeper commitments.

Thank you for making this great experience possible for so many.

Lewis McLean,
Camp representative

ANNUAL BROTHERHOOD REPORT

A review of activities in which the associational brotherhood participated indicates we were very active in the year 1987-88, but much more can be accomplished when more men and churches get involved.

1. Our men and boys participated in the Race Track Ministry in October and the Disaster Relief Van was used to serve Sausage/Ham Biscuits before the Sunday Morning service. Men helped erect the tent. At least 2 decisions for Christ were made.
2. R.A. Car competition was held with 150 men and boys attending, trophies were awarded.
3. In January 1988 the last quarterly meeting with state brotherhood director, David Langford was held.
4. Men and boys participated in the Race Track Ministry in March and hosted a State Men/Boys Rally. This was a first for our Brotherhood and was a BIG success with 900 - 1,000 in attendance. We plan to do this again March 1989.
5. In May 1988 a Men/Boys Banquet was held at Calvary Baptist Church with Hot Dogs and Hamburgers served to 80 men and boys. Teressa Burr Gardner entertained with her friend "Tony."
6. Leroy Yates led a group of men to help in a Roof Raising at South Laurinburg Baptist Church in June.
7. July of 88 found our men and women participating in a Mission Trip to Belize, Central America with 18+ first time decisions.
8. Some of our men helped with our first Associational Boys and Girls Summer Camp where 15 1st time decisions for Christ were recorded in August.
9. A number of our men along with women participated in a Mission Trip to St. Albans, West Virginia, where some of our men painted and men and women held Back Yard Bible Clubs.
10. Two of our Baptist men are currently teaching Sunday School Classes for Hispanics at First Baptist Ellerbe.

11. The men and boys of Pine Grove Baptist Church reworked a Mobile Unit purchased by the North Carolina Baptist State Convention to be used at Richmond Baptist Church.

Much planning is going on to involve more men in Missions. If any churches need assistance in getting Brotherhood work started in your church, let us know and we will be glad to come help you get started.

Assoc. Brotherhood Director

N.C. BAPTIST RETIREMENT HOMES

The Baptist Retirement Homes of North Carolina began its operation in 1951 providing care with a Christian spirit.

During 1987 there was an increase of 28% in citizens 65 years of age and over that were ministered too.

In 1988 the development of a Home Health Care Ministry has been studied to offer volunteer-based Home Health Care to help frail older adults to continue to live independently in their homes with some assistance.

The concept of Home Health Care provides to those on fixed income and meager resources, the services, cost free, "light nursing" enhancing them to live independently in their home with some assistance that are not yet in need of residential care.

As we move into 1989 opportunities for creative ministry with Older Adults abound. With the support of North Carolina Baptists the Baptist Retirement Homes will endeavor to meaningfully serve the needs of Older Adults of our State.

Assoc. representative

BAPTIST CHILDREN'S HOMES

You took the time, you cared. You gave much when you didn't have too. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specilized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Missions in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from seven million dollars (which it has been for five years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving fifty per cent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

BAPTIST FOUNDATION REPORT

A unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes a person only wishes to make a modest gift in trust for one specific cause and then is content. Often, however, the person realizes that both his family and Baptist causes he loves can derive a greater benefit from his estate, if his plan includes all of it. It may require more than one type of trust and nearly always a Will that capitalizes on the best possible planning. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son and the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustor's wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

SENIOR ADULT COUNCIL REPORT

The Senior Adults of the Pee Dee Baptist Association have worked hard this year with many activities. The Council has met at regular intervals to plan and discuss the work in the different churches. There is a great need for more able and dedicated Christian men and women in our area to become involved in meeting the needs around us in the Spiritual, physical and social life of our Senior Adults.

In October of 1987 a new Senior Adult group was organized, even before the organization of this group, they were busy serving their community. A number of them were awarded recognition of hundreds of hours of community service, writing the sick, shut-ins and lost in their community. Many thanks to such a strong group at Roberdel Church under the leadership of Mrs. Phyllis Lammonds. Pray that God will use more of us in the field.

In October a large number of Senior Adults attended a 3 day retreat at Caraway. Then in April a bus load went to Greensboro to the Foreign Missionary Commission meeting. In May 1988 we had a large number at the Annual Senior Adult Rally at Roberdel Baptist Church.

A number of our Senior Adults volunteered their service at Camp Pee Dee and some traveled to other states on the Mission Trips.

Our main goal is to reach more souls for Christ and to keep the Spiritual Fire burning in our Senior Sdults in our association.

Mrs. Alberta Freeman was elected as Vice-President of our Senior Adult Organization. She is a fine Christian lady with all the qualifications for a great worker.

We have had a good year and with your prayers and support we will work together with you and our Lord for a greater yearin 1988-89.

ANNUITY BOARD REPORT

North Carolina's response to renewed efforts to upgrade contributions of those already members of the Annuity Board of the SBC's retirement plans and to secure new participants continue to be exciting. Consider these facts:

- There have been 129 new members enrolled in the retirement plans during the period January 1 - July 15.
- There are now 2319 North Carolina churches and associations contributing to retirement plans.
- North Carolina has 1803 signed Cooperative Agreements! More than any other state - including Texas.
- The number of churches participating at the old Plan A level of $33.34 has decreased from 439 to 166.
- The average annuitant in North Carolina receives $234 per month, up from $196.
- North Carolina has 3,664 members making contributions to Annuity Board retirement plans.
- There are 1,592 annuitants receiving benefits each month in North Carolina - $372,422.85 each month!

There is so much to be done! Consider these facts:

- Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity.
- Of this 64%, many do not actually make contributions. The minister does this on his own.
- Small contributions make the annuitant's benefits small: In North Carolina 182 receive less than $50, 469 receive less than $100, 954 receive less than $200, 1216 receive less than $300.

- We have 164 churches that have signed the Cooperative Agreement, but still make no contributions.
- We have 477 churches that are making contributions but still have not signed the Cooperative Agreements.

There are 20 of the 38 churches in the Pee Dee Baptist Association participating in at least one annuity program.

SEMINARY EXTENSION

This past year Pee Dee Seminary Extension Center continued to offer Biblical courses to the Inmates at the Wagram Correctional Institution. With an enrollment of 9 students, class offered this past year was Old Testament Survey III. The class was well received and plans are in place to continue the program. The Seminary Extension Center will be looking at the coming year with hopes of expanding to other areas, i.e. to the area ministers, laity, and other Prison Institutions. Your input would be welcomed.

NORTH CAROLINA BAPTIST HOSPITAL

Perhaps the word which best sums up the past year at Baptist Hospitalis expansion-expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been $181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Like most hospitals throughout the nation, Baptist has been faced with a critical shortage of nurses and other health care personnel. A variety of programs are being implemented which are designed to attract and hold needed staff members.

In January Dr. John Lynch, who has been president of the hospital for more than 17 years, submitted his resignation. A search Committee is at work seeking his successor.

Mr. Wayne Murphy has recently joined the hospital staff and has been commissioned to create a fund-raising program for the hospital.

Let us continue to support our hospital in every way possible.

Respectfully,
Ben Broadway
Assoc. representative

ASSOCIATIONAL MISSIONS DEVELOPMENT COMMITTEE

Your Associational Missions Development Committee has been very busy this year assisting in many projects as well as defining of new roll and living up to our name.

I wish to thank the many people who have given freely of themselves to fulfilling the Great Commission of our Lord.

We have been involved this year in the expansion of the Christian Family Life Center from operating only one day a week to two. This ministry continues to expand at a rapid pace.

The Race Track Ministry has become a permanent outreach of our Association and we now own our own tent, bought two hundred more chairs, and have established our own place at the Race Track by erecting boundary posts. This place is known as "God's Little Acre." Last March, we also assisted in the first Statewide Men and Boys Rally at the N.C. Motor Speedway. There were more than 900 people in attendance.

Our newest church, Richmond, continues to grow and we have assisted them in securing a loan from the Baptist State Convention to purchase property for which to expand. We along with the State Convention bought a mobile unit for them to use as classrooms and a fellowship hall.

Another of our sucess stories is the assisting the First Church, Ellerbe, in the establishing a permanent ministry to the Hispanic people of our county. We employed a summer worker and are now continuing on a year-round basis. We hope in the near future to have a person working full-time in this area.

Two mission trips have been completed this summer. One to Belize and the one to St. Albans, West Virginia. We praise the Lord for those of you who preached, taught backyard Bible Clubs, cooked, prayed, and everything else that made these trips a success.

Three of our churches requested Church Growth assistance from the State Convention and were approved. We are also assisting Juan Mercado who works with our Hispanic ministry to attend Methodist College to better learn Spanish.

The Gospel Singing at the Richmond Co. Fair is still progressing and we hoping to reach more each year. Hopefully, next year we can move from Monday and Tuesday nights to Thursday and Friday. This should help our attendance.

This year we are excited about the World Missions Conference to be held next September. We now have 28 churches participating and this is going to the best ever.

Continue to pray for our Committee as we help you develop the Missions Outreach of our Association.

Respectfully submitted,
Leon Hawks, Chm.

ORDINATION-ADVISORY COMMITTEE 1988

The Ordination Advisory Committee had two meetings during this associational year.

The Committee met upon the request of the Crestview Baptist Church at Crestview, Thursday, November 12, 10 a.m. Our purpose was to examine Dwight West as a candidate for the Gospel Ministry.

After careful examination, the Ordination Advisory Committee of the Pee Dee Baptist Association recommended that the Crestview Baptist Church proceed with his ordination.

The Committee met Monday, December 7, at Second Baptist Church in Hamlet. This meeting was at the request of the Cordova Baptist Church to examine Charles Thomas (Chuck) McKnight as to his fitness for the Gospel Ministry. Mr. McKnight has been called as pastor of the Pee Dee Baptist Church. The Council met with the Pastors' Conference and a large number of ministers participated.

The Council voted without dissent to recommend that the Cordova Baptist Church proceed with the ordination of Charles Thomas McKnight.

DIRECTOR OF MISSIONS REPORT

The church year 1987-88 ended for the work of the Director of Missions with the following statistical report.

150	churches visited for worship
145	meetings attended outside the office
19,115	miles traveled

These statistics alone can not reflect the work of our Lord in the Pee Dee Baptist Association. The better facets of our work is reflected in people growing as they carried out our Lord's missionary mandate at the NCMS, Youth Camp, Belize, West Virginia and a host of other activities.

1989 holds the same bright promise as we look forward to the N.C. Men and Boys Rally at NCMS March 4, 1989 and our World Missions Conference September 17-20, 1989. And then on to April 1, 1990 for simultaneous revivals and the 175th birthday celebration of the Pee Dee Baptist Association. "Pray devoutly, hammer stoutly."

Constitution

PREAMBLE

We, the members of Baptist Churches in Richmond and Scotland counties, state of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I — NAME

The name of the Association shall be the Pee Dee Baptist Association of North Carolina.

ARTICLE II — PURPOSE

The purpose of the Association shall be to promote Christian fellowship and cooperation among the churches affiliated with it; to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice those doctrines and principles; to promote the preaching and teaching of God's Word; the enlisting and training of all Christians for service; to promote missions, benevolences, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth.

ARTICLE III — MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the state and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its constitution and bylaws. Affiliated churches may also withdraw as they desire.

Section 3. Churches desiring to affiliate with this body shall make application to the Associational Missions Development Committee by written application. If recommended by this committee and confirmed by vote of the Association the church shall agree to come under the watchcare period of the Association. During the watchcare period the church shall meet the conditions of Bylaw IX. Upon the recommendation of the Associational Missions Development Committee, acceptance into the full fellowship of the Association shall be confirmed by a three-fourths majority vote of the Association in annual session. During the watchcare period members of such church shall have all rights and privileges of the Association except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that neglects to maintain a spirit of cooperation with the Association, or fails to support the causes fostered by the Association, or that departs from the principles of the Christian faith as taught in the Bible and believed by Baptists.

Any church failing in cooperation practice shall be visited by the officers of the Association with a view to correcting such failures. In the event of the church refusing to correct failures found, upon the recommendation of the officers of the Association, the Association may by two-thirds majority vote of those present and voting withdraw fellowship from such church.

ARTICLE IV — MEETINGS

Associational Sunday School Report

If you were President of the world today and could make anything happen you wanted, what would you make happen in your church in Sunday School?

Southern Baptists became great partly because we put so much emphasis on Sunday School in the '50s and '60s. We had our greatest number of baptisms when we made great pushes to enroll people in Sunday School. We need to take time as individual churches and look at our Sunday School program. New approaches may need to be used to reach persons in our communities for Sunday School.

As Associational Sunday School Director let me encourage you to evaluate your Sunday School, set some goals, and discover some new directions for the ministry of your Sunday School.

A church cannot usually raise its attendance permanently by working on attendance. A big push for attendance produces surges which are not lasting. Big special days that bring in large crowds do not normally insure the same large crowd when the big event is past. Lasting growth comes from enrolling more people in Sunday School.

One of the biggest problems concerning enrollment is the widespread practice of "cleaning the rolls" at the close of the quarter or at the end of the church year. The reason we do this is because of the false idea that attendance is the priority factor and not enrollment. As a result of this policy we throw away hundreds of people each year. We must come to realize as long as their names are on our Sunday School rolls we are reminded that we should be praying for them and working to get them in Bible Study.

Let me, in closing, remind you that we have an Associational Sunday School "Assist Team" that will be glad to come and help you in your Sunday School work.

God bless you and looking for a great year in Sunday School here in the Pee Dee Association.

Rev. Wayne Tuttle,
Associational Sunday School Director

Associational Vacation Bible School Report

The Associational Vacation Bible School Clinic was held on May 2, 1989, at First Baptist Church, Hamlet. This was the best attended clinic we have had in the last few years.

Thirty-two of our churches had Bible School this year. Total enrollment was 3,230 with an average attendance of 2,617. There were 81 professions of faith made; 596 prospects were discovered for churches in our Association. There were two Special Ed Bible Schools at Roberdel and Pine Grove.

There were three Backyard Bible Clubs and one Mission Vacation Bible School conducted by our churches.

This has been a good year for Vacation Bible Schools. We enrolled 668 more students in Bible School and averaged almost 500 more in attendance. Thank you for a job well done.

Church Training Report

Church Training has been undergoing a renovation and as a result has been renamed Discipleship Training. As a training program that has been developing over the past few years, Discipleship Training comes in response to a growing concern for deeper commitment in developing disciples. There seems to be an ever increasing need for Christians to mature in their faith, grow in discipleship, and become equipped to minister. Discipleship Training's task is designed to meet this need by reaching persons for discipleship and personal ministry.

During the 1988-89 year, Church Training has worked toward two major emphases.

1. Providing to each of the pastors in Pee Dee Association a copy of the 1989 doctrinal study book, *The Doctrines Baptist Believe.*
2. Beginning and supporting a Children's Bible Drill program in our churches and Association.

As we look ahead to the 1989-90 year we continue to emphasize the need for churches to provide doctrinal studies and begin a Children's Bible Drill program.

In addition to the above, plans for this year are to have a MasterLife class, and to provide on a loan basis, Equipping Modules or Centers to aid churches in discipling and equipping members for ministry.

Jim Gifford,
Associational C.T. Director

Stewardship Report

On February 9, 1989, a Stewardship Conference was conducted at the Sirloin Steak House in Rockingham by the Stewardship Division of the Baptist State Convention. O.D. Martin, Director of the Stewardship Division, was the Conference Leader. The theme of this year's conference was "Growth in Christian Giving." A packet of materials was given to each church represented. Valuable helps in stewardship education and promotion were included in the packet. The conference was well attended.

Plans have been made for a seminar to be held in our Association next year to provide training and inspiration for church leaders to plan and conduct "Witnessing/Giving Life Revivals" in the churches in the spring of 1991. This is a joint effort of the Evangelism Division and the Stewardship Division of the State Convention.

Associational Representative

Brotherhood Report

The Brotherhood had three major projects during the past year. Project #1 was the Car Competition held at Second Baptist Church in February. Though we had an ice storm on the day of the competition, we had a good turnout with a lot of fun and excitement for everyone.

Project #2 was the statewide Men/Boys Rally held at the North Carolina Motor Speedway. Attendance was very good for a very cold day with over 1,200 attending. We heard several very good testimonies, good Christian music and a fine performance and testimony by Anita and David.

Project #3 was the Men and Boys Banquet held on September 8. The theme of this gathering was Drug Abuse. We had some great fun and music along with personal testimony that would have touched anyone's heart over the effects of Drug Abuse. We also had an officer from a local law enforcement agency who made an excellent talk from a law enforcement standpoint.

Associational Brotherhood Director

1989 Prayer Task Force Report

Southern Baptists are involved with other Christians to try to reach every person in the world with the Gospel of Jesus Christ by the year 2000. God has provided people, money and mass communication; however, there is *one missing link—prayer power.* If the devil can keep us prayerless, then we are powerless to do God's will.

The Associational Prayer Task Force is encouraging all pastors to ask their deacons to pray for them (pastors) daily and before and during every service. The pastors should also ask women or others to commit themselves to daily prayer for their pastors and churches. A pastor should explain to his prayer warriors that these *daily prayers are for power for the pastor* (not "God bless and take care of our pastor" prayers.) Their pastors should be specific life-changing and world-changing with deep soul-searching and confession by each person praying (including pastor) to open the doors of heaven to allow God to begin a Spiritual Awakening in each person extending throughout the church and into the whole world.

Pastors are "busy" but if they are too busy with programs and things to lead their churches in prayer ministries they should expect apathy and "falling away from the church." Prayer should be the first ministry of a church; without prayer the devil has a foothold. Prayer is the only thing the devil cannot penetrate. Every Christian in a church should be led to make the same prayer commitment as the pastor, deacons and prayer group.

If every pastor in our Association had the power that comes only from sincere prayer and he led his people in continual revival, then our Association should experience the greatest Spiritual Awakening the world has ever known. Glenn Shepherd said, "God did it before and He can do it again."

Andrew Murray said, "The Evangelism of the world depends, first of all, on a revival of prayer. Deeper than the need for men—deep down at the bottom of our spiritless life—is the need for the forgotten secret of prevailing, world changing prayer."

Prayerfully,
Juanita McGowen, Chairman
Associational Prayer Task Force

Woman's Missionary Union Report

W.M.U. year 1988-1989 saw many changes as we launched into our second century. There were changes in Baptist Women and Baptist Young Women. W.M.U. Tasks #2 and #3 were made to include new witnessing techniques and mission support is including volunteer mission service. Two new Church W.M.U. Officers, Mission Support Director and Mission Study Director have been added.

New changes are good, but we need more members in our organizations. The Enlistment/Enlargement Seminar in November was an enlightening program of enlisting techniques.

The Baptist Women "Sweetheart Banquet" in February was a delight for all who came. The month of February also gave us the Acteens Annual Meeting and the Baptist Women Annual Meeting. Both of these events were interesting and informative.

Many of the Council members attended the State W.M.U. Annual Meeting in March and also W.M.U. Week at Ridgecrest in July.

"IT'S A NEW DAY," the theme for our Annual Meetings, seems to say it all. It *is* a new day for W.M.U., launching into Century 2. Our speaker for this occasion was Sara Ann Hobbs, Director of the State Mission Department. Also on the program was Nancy Curtis, our own State Executive Director. There were more than 100 persons in attendance.

Your W.M.U. Director attended a Personal Witnessing Seminar at Caraway, May 13-14, and Key Leadership at Ridgecrest, May 15-16.

The Girls in Action Mother-Daughter Camp - "Hawaiian Style" was a huge success. The theme was carried out by mothers and daughters talking about their involvement in G.A.s.

Thanks to all the churches for making missions come alive to the migrants and the prisoners. The gifts were well received.

We are once again grateful to the Church W.M.U.s for helping us be a Distinguished Associational W.M.U. As we look forward to 1989-1990, we can truly be inspired to REACH, TEACH, TOUCH—IN HIS NAME.

Vivian Cavazos
Associational W.M.U. Director

Associational Music Report

Six churches participated in a Youth Singspiration on February 12 with approximately 85 in attendance.

There were about 180 present for the Adult Choir Festival on February 19 in which four churches participated.

James Mynard,
Associational Music Director

Senior Adult Ministry Report

Thanks be to our Father, times have changed among our Senior Adults. It seems that years ago we had a lot of spare time on our hands but now most of us have become so involved in the affairs of our churches communities and families that we are all so busy. This is a wonderful change.

We have had a busy year with so many activities. In October 1988 we attended our Retreat at Caraway. Then there was a big Christmas party at Mt. Olive Baptist Church when approximately 150 happy Senior Adults came together for food and fellowship. The real Christmas Spirit was outstanding.

Our Spring Rally was held in March at Calvary. The number was below expectations but an enjoyable time was experienced.

A large number attended a rally at our Children's Home at Pembroke. It was interesting to see so much happiness that our Baptist Convention has provided for those children that are less fortunate than some.

We are now planning to go back to Pembroke on September 28 for another afternoon with our Baptist Children there.

We have plans now to visit N.C. Baptist Assembly at Fort Caswell on October 24 and 25 of this year. The cost is very reasonable and we are hoping a large number will join us.

We solicit your prayers and support as we continue in our activities, trying to get more people involved in Christian Fellowship.

Flora Ussery,
Associational Senior Adult Director

Pastoral Ministries Report

On March 17 the Baptist State Convention hosted a banquet for the bivocational pastors of our Association and their spouses. Corbin Cooper of the Missions Division of the State Convention staff was the speaker. Mr. Cooper encouraged the 45 people present to be active soul-winners.

On July 27 the Association sponsored a fellowship supper for all the ministers in the Association and their families. This meal was hosted by Second Baptist Church in Hamlet. Because of our Association's growing involvement in ministry to Hispanics, the meal and program had a Hispanic "flavor." Cirilo Sanchez and Juan Mercado presented a program of music, information, and inspiration. Approximately 50 people were present.

William W. Leathers III,
Pastoral Ministries Chairman

Baptist Children's Homes of North Carolina Report

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

Since 1885 B.C.H. inaugurated two innovative services in Care House, the first home for teenage mothers and their babies we know of anywhere and the Philpot Parent Aide Program.

Care House, where five teenage mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 B.C.H. dedicated the Philpot Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication B.C.H. named Charles Tanner and Bill Morrow as directors of church relations and planned giving. They will arrange B.C.H. speakers for your church and help your members with estate planning.

B.C.H. continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

B.C.H. continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than $1 million has been received in bequests.

The Executive Committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced B.C.H.'s share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

B.C.H., which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

Annuity Board Report

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." The effort put into planning and promoting the Expanded Church Annuity Plan continues to bear amazing results which will multiply manyfold down through the years.

A new and vastly improved insurance program is being offered under the name ChurchLife. There will be four plans from which to choose.

It is astounding to see the growth of the Annuity Board and its ministry to ministers across the Southern Baptist Convention. There were, at the end of March 1989, 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914. The AB assets at the end of March were $2,460,709,118, most of which belongs to Southern Baptist Ministers who participate in the retirement plans.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church. It should be a condition of calling, both for the church and the minister, that the minister be covered. It is protection - both for the church and the minister.

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them. But there is still so much to be done!

Suffice it is to say that there is a *great* challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep up the good work.

Baptist Hospital Report

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

Many advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from 35 states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received $668,937.39 through the Cooperative Program and $303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Associational Missions Development Program Report

The A.M.D.P. Committee has been very busy this year seeking to do the Mission work of our Association. Some of the work completed this year was our two race track ministries at the North Carolina Motor Speedway. This is one of our ongoing missions and has had and is continuing to have a great Christian impact on the racing community. One of the greatest needs of this ministry is for more people to become involved. Continue to pray for this important ministry. Remember Jesus said "go" into the world and this outreach provides us with the opportunity to "reach out and touch" 50 to 60,000 people each race.

Our fair ministry expanded from two days to a full week this year. Under the leadership of Mrs. Dot Bell a booth was set up and gospel tracts and other outreach materials were distributed.

Our assistance was given to the First Baptist Church, Ellerbe, in the continuing ministry to the Hispanics of our county. We have reached a milestone in this ministry by employing a full-time Spanish Minister, Rev. Cirilo Sanchez. This work has now been constituted into a church called the *Ellerbe Hispanic Baptist Mission.* We praise God for this great ministry being done in our county.

We have continued to oversee the work of our Prison Chaplaincy, Senior Adult Ministry at Holiday Village, Prayer Task Force and other missions outreach in our Association.

A new ministry was begun this year at the John Blue Festival in Laurinburg, NC.

Please continue to pray for our Association and its elected leaders as we carry out the ministries of our Lord.

Christian Life Commission Report

Several problems continue to require the involvement of every Christian:

1. The quality of life in our society is continuously threatened by mounting intense and graphic violence and sexual persuasiveness as portrayed on television. Research shows an "undeniable" correlation between violence shown on T.V. and aggressive behavior of those who view the programs. *Time Magazine* reported that by age 16 the average American child has seen over 200,000 acts of violence on television including 33,000 murders. We as Christians should monitor the programs coming into our homes and encourage the networks and sponsors to "clean-up" their trash.

2. Abortions still continue at an alarming rate. Both sides of the controversy are launching an "all-out attack" since the United States court system has turned the regulation of unborn children over to the State Legislatures. Lobbying, letters, telegrams, phone calls, demonstrations and sit-ins are all part of the battle. Our own legislators will be making a decision for North Carolina in the near future and we need to have some input as to the final outcome.

3. More churches are recognizing the need of the hungry around the world. Each local church can assist in meeting the growing need created by natural catastrophes and internal political problems. Jesus said, "as you do it unto the least of these my brethren you do it unto me." Our network of missionaries around the globe insures the maximum value of every dollar given.

4. Every age has its obstacles to overcome. The youth of today carry a much greater burden than some previous generations. Drugs, AIDS, Homelessness and disposal of toxic wastes as well as mountains of garbage are only a few. Sexual promiscuity and changing concepts of "family" only add to the confusion. We need to ask for a special portion of the Grace of God for them and ourselves.

Campus Ministries Committee Report

The purpose of the Campus Ministries Committee is to work with the churches and Baptist State Convention resource person to provide a ministry to college people.

This committee feels that the Baptist Student Union organization on college campuses provides a very important balancing factor in the life of a student. B.S.U. is the place where a student can make Christian friends in a new place—friends with whom they can play, laugh, pray, and even cry. The programs and activities are challenging and informative, but most of all the B.S.U. offers our students an opportunity to grow as a person and Christian while learning to be a leader and a servant. B.S.U. offers an avenue to keep our students involved with spiritual matters during their years of stretching their minds.

The Campus Ministries Committee was represented at Ridgecrest for Key Leadership in May.

In August Mr. Joe Clontz with the Volunteer Student Ministries of the Baptist State Convention and Ron Sanders, Campus Minister at Pembroke State University, met with members of the committee and Dr. Gault to explore ways of ministry to college students with Pee Dee Association.

The committee has conducted the following activities:

1. Conducted a survey of the churches to identify the college students within the Association.
2. As each church responded, information was sent concerning the Baptist Student Union Convention held at Ridgecrest the end of September with the hope that some groups of commuting students might be interested in attending.
3. From the church lists, a record was compiled of the students going to each college.
4. The Campus Minister on each campus was sent a list of our students going to their college along with a letter requesting that they be contacted and encouraged to join B.S.U.
5. Each student residing on a college campus was sent a letter encouraging them to consider the benefits and support B.S.U. could offer them.
6. All commuting students were contacted and urged to remain active in their local church and reminded of the spiritual support base their church provides.

We request your prayers for our students and for us as we establish effective ways to minister to students in Pee Dee Association.

Beth McDonald, Chairperson
Campus Ministries Committee

Ordination Advisory Committee Report

The Pee Dee Baptist Association's Ordination Advisory Committee met on two occasions during the past year.

On Monday, January 23, 1989, 7:30 p.m., we met at Second Baptist Church. At the request of the Calvary Baptist Church, we examined Carl Moree, Jr. as to his fitness for ordination to the Gospel Ministry. Mr. Moree does not serve as a pastor at the present time.

It was the unanimous recommendation of the Advisory Committee that Mr. Moree not be ordained at this time. This recommendation to delay ordination is based on two facts. One, Carl was not able to give clear, concise doctrinal statements that indicated his readiness to lead others. We suggest the need to read some basic theological books combined with Bible Study. Second, the committee felt that ordination should be considered when a church has called Carl as pastor and asks for his ordination. Ordination is not a recognition award but a setting apart for service.

At the request of the First Baptist Church of Rockingham, the committee met with Kelly Milstead on Monday, July 31, 1989, at 4:00 p.m. at Second Baptist Church. Kelly is a third year student at Southern Baptist Theological Seminary and has been called to serve as pastor of a United Church of Christ congregation.

The following report was made to First Baptist Church. "This committee found Kelly Milstead to be a committed Christian who demonstrated an excellent knowledge and understanding of Southern Baptist theology and practices and affirm her as a Minister of the Gospel. As a committee of the Pee Dee Baptist Association, we do not feel it proper to recommend for or against ordination for any candidate for any work other than being called to a Southern Baptist Ministry. Therefore, we decline to make any recommendation to the Church."

Speaking for myself, I would like to urge the Association to draw up some guidelines for the Ordination Advisory Committee to use. If our committee can be of help in this effort, we stand ready to serve. It is evident that the committee feels that they should not be asked to examine an individual who has not been called to a place of service in Baptist Ministry.

Respectfully submitted,
Scott Turner, Jr.

Summary of Activities: There were 15 saved during this past year. We praise the Lord for these and ask for your continued prayer support.

We have experienced some setbacks to having our Chapel underway. Hopefully all obstacles will be removed and we will see a groundbreaking in 1990.

After the overcrowding suit in North Carolina was settled, our camp was reduced from 95 inmates to approximately 75. We have been designated as a staging center for an Impact Unit where youth from ages 19-24 will be gathered. For a month or more before the Impact Unit transits arrived, the whole west cell block was vacant leaving us only 26 men. However as of the first part of October, we are back to what will be full capacity of 72 men.

We are looking forward to working with these men in the coming year and pray they will be especially open to the message of God's love through Jesus Christ.

Thank you again this year for your steadfastness in preaching His Word at the Unit.

Accountants' Report

The Executive Committee
Pee Dee Baptist Association
of North Carolina
Rockingham, NC 28379

Dear Sirs:

We have audited the accompanying balance sheet of Pee Dee Baptist Association of North Carolina as of September 30, 1989, and the related statements of revenue and support, expenses and changes in fund balances and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The expenditures of Pee Dee Baptist Association of North Carolina are reported in the accompanying statement of activity on an object line item basis. Generally accepted accounting principles for nonprofit organizations require that expenditures be reported on a functional basis.

In our opinion, except for the departures from generally accepted accounting principles mentioned in the preceeding paragraph, the financial statements referred to above present fairly, in all material respects, the financial position of Pee Dee Baptist Association of North Carolina as of September 30, 1989, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

NOTE 1 ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Organization

The entity is a not for profit religious organization located in Richmond County, North Carolina. The entity is comprised of member Baptist Churches in Richmond and Scotland Counties.

Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes.

Property and Equipment

Property and Equipment is stated at cost, less accumulated depreciation and amortization. Depreciation and amortization are provided for in amounts sufficient to relate the cost of depreciable assets to operations over their service lives, principally on the straight-line method.

Leasehold improvements are amortized over the lives of the respective service lives of the improvements.

NOTE 2 CONTRIBUTED SERVICES

A substantial number of unpaid volunteers have made significant contributions of their time to develop the Association's programs. The value of this contributed time is not reflected in these statements since it is not susceptible to objective measurement or valuation.

NOTE 3 FACILITIES

The use of the facilities of the organization are donated annually by Tri City, Inc./Claude Smith, Jr. The fair rental value of the facilities was not determined for the current year, therefore the donation and rental expense was not recorded on the Association's books.

NOTE 4 NOTE RECEIVABLE

The Association has a demand note receivable from Carolina Loans, Inc., Laurinburg, N.C. in the amount of $16,890. Interest is computed at 10% monthly and added to principal until paid.

NOTE 5 RESTRICTED FUND BALANCE

The amount shown as restricted fund balance in the balance sheet represents designated contributions for specific uses.

Evangelism Report for 1988-89

"Here's Hope, Jesus Cares For You," is a national evangelistic emphasis striving to help Southern Baptists make evangelism a continuing priority. We have been preparing three years for this great revival. Our date in the Pee Dee Association is April 1-8, 1990. Use this date if possible.

Many churches have taught the module "Training Sunday School Workers in Evangelism" this year. We offered a Lay Evangelism School last September at Second Baptist Church, Hamlet, N.C. Dr. Roy Taylor trained pastors and laymen to lead schools in their own church. Dr. Gault lead the Association training for the Simultaneous Revivals in January at Calvary Baptist, and again at pastors conference in October.

God's people need training to share their faith with the lost. We will provide the training if you will contact the Evangelism Committee. Each church has a plan book to guide in the final planning for a great revival. In February attend the State Evangelism Conference. In March we will have Witnessing Training at the First Baptist Church in Rockingham.

Lead your church to conduct:

(A) At least one Soul-Winning event - 1989-90
(B) Evangelistic People Search - Fall 1989
(C) Here's Hope Revival - Spring 1990 (April 1-8)
(D) Youth/Adult Revival - Summer 1990
(E) Fall Revival - 1990

Lewis F. McLean, Evangelism Chairman

Christian Higher Education Report

We are constantly reminded of increasing advancements in communication, science, health and technology and the associated imperative that our youth be better educated than ever before to be successful in the 1990s and beyond. Simultaneously, we are witnessing rapidly increasing numbers of cases of fraud, corruption, misrepresentation, bribery, etc. in business, government, politics, religion and virtually all other segments of our society. Unethical behavior in business has reached such proportions that Harvard Business School recently implemented an ethics course of study required of all graduates. Over fifty (50) major corporations recently organized Fellowship of Companies for Christ in an effort to inculcate Christian principles and practices among their top executives and middle management staff.

Historically, North Carolina Baptist Colleges have provided their students an excellent liberal arts education which both prepares them to make a living and strengthens their Christian character and ethical behavior. It is more important now than ever before that Baptist churches across the state provide strong support for its colleges. Higher education has always had a crucial impact on the future of our state. Excellent Christian higher education will both enhance our economic future and strengthen ethical standards in the workplace. Our strong support now is crucial.

M. Doug James, Associational Representative

North Carolina Baptist Foundation Report

''Strengthening for Greater Service'' had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950s, space for the Foundation has been provided in the Baptist building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform our work. A new building will be erected beside the Baptist building in Cary and will be ready for occupancy by the end of this year. Groundbreaking has been held.

The need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our *first priority.* It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Through the method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

If I can be of any service please contact me at 919-582-2383.

Belva Williams, Associational Representative

Director of Missions Report

During the past 12 months the Director of Missions visited 195 church worship services, attended 205 meetings in addition to the meetings held at the Associational office. This involved driving 19,338 business related miles.

While the recording of statistics and keeping an accurate record of activities is very important these facts can not reflect the intangible results of some mission activities. The programs of the Association were administered by capable leaders who guided conferences and training sessions. Special mission activities included events such as the state men and boys rally which exceeded 1,200 in attendance, the adoption of Long-Range Strategy plans which have been and are being implemented, the race track ministry and called a Hispanic Minister, had a good minister/family outing to learn about Spanish life, had a good Richmond County Fair experience, had an excellent World Missions Conference, an excellent summer camp for boys and girls and for the first time since I came on board as

D.O.M. we had a summer youth activity. The furnishings for the D.O.M.'s office have been completed. Thanks for the committee's and your patience.

All of this was possible because Pee Dee Baptist Association is comprised of some of the best churches in North Carolina. They are pastored by good men who have been very supportive so we say thank you from the bottom of our hearts.

Yours in Christ's Service,
Benjamin S. Gault, Jr.

Biblical Recorder Report

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st. Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more—that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. ORDINATION-ADVISORY COMMITTEE

The following guidelines are for the purpose of enabling the Ordination Advisory Committee of the Pee Dee Baptist Association, Inc. to assist a church in the examining of a candidate for the Gospel Ministry.

Ordination into the Baptist Ministry concerns both the church which ordains and her sister churches because a candidate ordained by one church will presumably serve other churches and enjoy the public recognition afforded Baptist Ministers.

It is to be clearly understood, however, that the ordaining church is only seeking the advice and counsel of her sister churches through the Ordination Advisory Committee and that the ordaining church remains the sole authority in determining whether a candidate is to be ordained.

The Ordination Advisory Committee does not examine any person who has not received a specific call to a specific Baptist ministry.

The function of the Ordination Advisory Committee is to examine those persons who have received a specific call to a specific Baptist work.

The following guidelines are to be used by any church of the Pee Dee Baptist Association, Inc. wishing to use the Ordination Advisory Committee to examine a candidate for ordination:

1. The candidate should present themselves to the church testifying to the fact that God has called them to the Gospel Ministry.
2. When the church is satisfied that the candidate is ready for ordination:
   - A. The church votes to recommend the candidate to the committee for examination.
   - B. The church is expected to make a through study of the candidate's moral, ethical, educational, and religious background.
   - C. The candidate must write out the following data: a biographical sketch, their conversion experience, their call to the ministry and why they are seeking ordination to the Gospel Ministry as a Baptist.
   - D. The above A,B,C, must be forwarded in writing to the chairman of the Ordination Advisory Committee at least two (2) weeks before an examining date can be set or announced.
   - E. After the examination of the candidate, the Committee will vote on whether to recommend ordination of the candidate on the basis of the questioning and notify the church in writing of the decision.

Section 6. The **COMMITTEE ON NOMINATIONS**, composed of six members, shall submit the names of its nominees for department directors to the Executive Committee for approval at its April meeting. All officers, except the Moderator and Vice-Moderator, who shall be nominated from the floor, shall be nominated by the committee to the Association at its Annual Meeting. Brotherhood Report

In November of 1989 the Associational Brotherhood sponsored its annual Men and Boys Banquet. We had good attendance from throughout the association. We heard a touching testimony on what drugs can do to your life and how with the Lord's help drug addiction can be overcome. We also heard an excellent talk by Mike Williams on the DARE Program starting up in Richmond County. DARE is a drug prevention program.

In February we had the race car competition with some 60 boys competing. It was an excellent turnout with lots of fun and Christian fellowship.

All RA leaders are urged to get their boys started on mission projects now if they wish to compete in the state car competition.

In March we had the state-wide Men and Boys Rally at Rockingham Motor Speedway. Due to an extremely large crowd for the race as well as for our rally we encountered a number of problems that caused the race track to limit us to only 1,500 passes at future races.

In August we had a Track and Field Competition. However, due to some hasty planning the turnout was rather light. We have committed ourselves to an earlier announcement and more publication for future Track and Field events.

As Associational Brotherhood Director I would like to encourage all churches in the association to start a Brotherhood in their church and to sponsor RA training for the young boys in their churches. Let's work to teach men and boys about reaching people with Christ's story through involvement in Brotherhood and RA missions.

Bob Page, Assoc. Brotherhood Director

Stewardship Report

"Witnessing/Giving Life Revivals", a joint effort of the Evangelism Division and the Stewardship Division of the Baptist State Convention, has been the central focus of the meetings attended by the Associational Stewardship Representative. During May, training sessions were attended on the Spring 1991 emphasis.

An associational-wide meeting to emphasize the "Witnessing/Giving Life Revivals" will be held October 2, 1990 at 6:30 p.m. at Captain Larry's Restaurant, Laurinburg, NC. Talmadge Williams of the Stewardship Division is scheduled to conduct the meeting.

Brooks Baines, Assoc. Representative

Pastoral Ministries

On May 11 the Baptist State Convention hosted a banquet for the bi-vocational ministers of our association and their spouses. Mr. Ken Batts of the Cooperative Ministries Division of the Baptist State Convention was the speaker. He presented the convention program called "Witnessing Giving Life" which addresses the close link between Christian stewardship and evangelism. Twenty-five people were in attendance.

On August 23 the Pee Dee Baptist Association sponsored a fellowship dinner for the ministers of our association and their families. This meal was hosted by First Baptist Church, Laurinburg and the cultural twist was from the land of Scotland. The program included a slide presentation by the Rev. Scott Turner, and a musical program by Rev. and Mrs. Andrew Grier. Forty-three people attended this annual cultural event.

Jeanne Baucom, Pastoral Ministries Representative

Christian Higher Education Report

In no generation have Baptists been in greater need of understanding their historic Baptist principles:

1. The Lordship of Jesus Christ, and the guidance of the Holy Spirit in each individual's reading of the Bible, without restrictions of creed or ecclesiastical dictation.
2. The priesthood of believers, all competent and responsible within the family of faith to participate in ministry and to proclaim the Gospel without hierarchical restraints.
3. The autonomy of the local church cooperating freely and voluntarily with other Christians in evangelism, missions, and education, and all other efforts to advance the Kingdom of God.
4. Freedom of religion, guaranteed by a free church in a free state.

The preservation of these great Baptist principles has depended on the way these traditions have been passed from one generation to another. Our Baptist schools and colleges have played a tremendous role in guaranteeing an informed and committed clergy and laity for our state and nation and in foreign fields of service.

We need to insure that North Carolina colleges continue to provide opportunities for our young people to grow in faith and knowledge as they explore challenges and opportunities for service and leadership in their church and in the world.

Carl Bennett, Assoc. Representative

Baptist Children's Homes

For 105 years Baptist Children's Homes of North Carolina has been giving Children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately $75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 12-year absence, BCH lost more than $1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant $400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105 year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Dot Gault, Assoc. Representative

The *Biblical Recorder* Report

We need help! Never in the history of Southern Baptists has there been a time of more conflict and tension, much of it based on misunderstanding or lack of correct information. As never before, we need informed Baptists to make the right decisions for the Kingdom's work in the name of Christ.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single source of news, information, inspiration and challenge in our mission efforts together.

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service has been launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually for less than what it costs to produce the church newsletter CNS gives the entire Baptist communication package to each family in the congregation.

The paper will focus more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry, where they are and to the ends of the rapidly changing world.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The *Biblical Recorder,* 232 West Millbrook Road, Raleigh, NC 27609.

Sunday School Report

In the beginning, God broke through the void and nothingness, and created Heaven and Earth.

In the fullness of time, when religious faith and practice had petrified into an endless system of tedious laws, God broke through and sent his only Son into the world as Redeemer, Savior, and King. In the aftermath of Christ's resurrection, while timid, disciples waited in a crowded room, God broke through and sent His Holy Spirit to empower and motivate believers to preach the Gospel boldly to thousands of persons. Yét even after the miracle of Pentecost (recorded in Acts 2), the Good News was thought to be primarily for the Jews. To get the Gospel out to the Gentiles and to all the world.

God broke through again. This breakthrough, which ultimately would result in freeing the Gospel to the uttermost parts of the earth, took place in several theaters of life. On one stage - a Roman centurion named Cornelius played a small but major role. An Angel of God appeared to him in a vision and instructed him to send for Simon Peter. That visionary breakthrough in Cornelius' life was followed by a personal breakthrough in Peter's life. While praying, Peter fell into a trance and saw a vision of a great sheet filled with animals that the Jews thought were unclean. Through the repetition of the vision, God taught Peter that what he had cleansed should no longer be considered unholy. The breakthrough in Cornelius' and the understanding of God's redemptive plan led to the salvation of Cornelius - a Gentile. Peter's personal breakthrough led to a breakthrough in the Church, as he defended the inclusion of non-Jews in ''the repentance that leads to life.'' A breakthrough in two persons lives (Cornelius and Peter) led to a breakthrough in the Church (Jerusalem), which led to a breakthrough in a community (Antioch), resulting in a breakthrough to the ends of the world.

As Pee Dee Baptists enter the last decade of the twentieth century, we are reminded of a commitment. Fourteen years ago, we committed ourselves to share the Gospel with every person in the world by the year 2000. This commitment, called Bold Mission Thrust, is still a distant reality.

A sudden advance; breaking through an obstruction; an offensive thrust - all dictionary definitions of breakthrough. A needed Spiritual advance; crossing barriers of unbelief; unprecedented growth in churches that takes the Gospel to unreached people - all possible and needed outcomes of breakthrough. Breakthrough is the Sunday School's contribution to Bold Mission Thrust in 1990-95. To share Heritage and Hope is the prayer, the Hope, of Southern Baptists as we enter the final decade of the century. This theme also is the rallying point for 1990-95 as Southern Baptists seek to fulfill the Great Commission through Bold Mission Thrust. To do so will require BREAKTHROUGH. During 1990-95, Southern Baptist Sunday Schools will be working toward achieving a total enrollment of 11 million people. Achieving this enrollment goal will represent Breakthrough Sunday School Growth. Themes to help churches focus on Breakthrough during the 1990-95 period are:

1990-91 - Breakthrough - Reach to Win
1991-92 - Breakthrough - Teach the Bible to Win
1992-93 - Breakthrough - Equip to Win
1993-94 - Breakthrough - Serve to win
1994-95 - Breakthrough - Witness to Win

Take a moment to figure what a 9.1 percent enrollment and attendance increase would mean to your Sunday School. Do the same for the other goals. What would these increases mean to our Sunday School? As you can tell, these goals are within the realm of possibility for any size Sunday School. Certain Basic and Challenge Actions are offered as programming suggestions to help Strengthen and grow your Sunday School during 1990-91.

NOVEMBER 5: 6:30-9:00 pm - Ministers/Spouses dinner and January Bible Study preparation at Pine Grove Baptist Church.

JANUARY 31: Early Bird Vacation Bible School Clinic (place to be announced) For pastors, Sunday School Directors, VBS Directors.

FEBRUARY 18-19: Associational Training School for Sunday School Workers, Second Baptist Church, Hamlet. We will study the "Breakthrough" Books.

APRIL 29: 7:00-9:00 pm - Associational VBS Clinic, Calvary Baptist Church, Hamlet.

Let me, in closing, remind you that we have an associational Sunday School "Assist Team" that will be glad to come and help you in your Sunday School work.

God bless you and looking for a great year in Sunday School here in the Pee Dee Association.

Wayne Tuttle, Assoc. SS Director

Associational Vacation Bible School Report

The Associational Vacation Bible School Clinic was held on May 1, 1990 at First Baptist Church in Hamlet. We had 14 churches represented with a total attendance of 81.

We had 32 of our 37 churches that had VBS this year. We gained two churches, Cobb Memorial and South Laurinburg, who had VBS this year that did not have them last year. We had a total enrollment this year of 3,214 with an average attendance of 2,603.

We had 2 churches, Ellerbe First and Pine Grove that received Distinguished Achievement ratings and 20 churches with Merit ratings. This was another good year in VBS. Thank you for a job well done.

Annuity Board Report

There are now 2,162 North Carolina churches and associations contributing to retirement plans. North Carolina has 1,972 signed Cooperative Agreements! More than any other state! The number of churches participating at the old Plan A level of $33.34 has decreased to less than 100. The average annuitant in North Carolina receives $276.39 per month. North Carolina has 3,436 members making contributions to Annuity Board retirement plans. There are 1,889 annuitants receiving benefits each month in North Carolina - $522,109.84 each month.

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them. But there is still so much to be done! Consider these facts:

Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity.

Of this 64%, many do not actually make contributions. The minister does this on his own.

Small contributions make the annuitant's benefits small: In North Carolina 175 receive less than $50.00; 463 receives less than $100.00; 1007 receive less that $200.00; and 1295 receive less than $300.00.

We have 151 churches that have signed the Cooperative Agreement, but still make no contributions. We have 457 churches that are making contributions but still have not signed the Cooperative Agreement. Suffice it is to say that there is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Summary of Activities: Praise the Lord for 18 souls added to God's Kingdom this year through prison ministry.

We have experienced joys and sorrows during this past year. A going-away party was given to Mr. Trask in March. We were sad to see him leave, but joyful as well for his promotion. Your Chaplain was afforded the opportunity to attend the 1990 National Jail and Prison Conference held in Charlotte on March 22-24. Thank you for allowing me to go.

Ground-breaking for our Chapel did not become a reality during this Associational year. Continue to pray that obstacles will be removed as we look toward 1991. May we see another year of fruit-bearing as we work together preaching God's Word and praying without ceasing.

Director of Missions

A look at statistics for the past four quarters of activity in Pee Dee Baptist Association, Inc. reveals that the Director of Missions shared worship experiences with our churches 223 times. He also participated in 212 meetings outside of the Associational Office. These activities accounted for the 18,060 miles driven. These statistics do not reflect the time spent in the office or meetings held at the associational office.

Many events have been organized, supported and encouraged. Some have been successful and some have not been as good an experience as one might wish. The area of youth ministry has been enhanced due primarily to some good leadership from several church staff members. The area of prison ministry in Scotland County is progressing better than any other time during the present D.O.M.'s tenure. Several churches are developing and sending out mission teams individually while the association continues to offer this opportunity to people from any or all of our churches.

An attempt has been made to strengthen local churches by securing financial assistance and personnel support. Five of our churches have welcomed new pastors and four have welcomed new staff members since our last meeting. Four churches are presently seeking a pastor. These changes have had their impact on Pee Dee Baptist Association, Inc. We welcome our new fellow workers and miss our fellowship with those who have left.

A quick look at the future indicates a need to build relationships between the churches and their leadership persons and a need to devise methods and opportunities where everyone can cooperate in sharing the message of hope through Jesus Christ in the coming years. As the Association moves into the last quarter of the second century of its existence it is the dream that the churches of Pee Dee Baptist Association, Inc. will be a visible model of the family of God working together and practicing the attributes of one who serves our Lord Jesus Christ.

Associational Missions Development Program

The A.M.D.P. Committee has had a successful year during 1990. I wish to thank all those who have worked so hard to accomplish our goals.

The Race Track Ministry at North Carolina Motor Speedway continues to be an ongoing mission that carries the Gospel to race fans. More of our people are becoming involved and this allows us to do more each year.

The Fair Ministry which began with the Richmond County Fair has now expanded to include the John Blue Festival in Scotland County. Under the leadership of Mrs. Dot Bell this ministry is involving more people and new ideas that heighten the awareness of our presence.

One of our problems with camp this year was because not enough people signed up in time and we were not able to conduct it. As plans are made for next year I hope more attention to this will be given by the churches. People must be made aware of this in the early spring and plans made to attend.

The Prison Ministry has expanded to include the prison unit in Wagram. At present, denominational endorsement is being sought for Daryl Wrape. He will lead this as a volunteer chaplain.

Because of the lack of contact between the leadership of our association and the Mt. Calvary Baptist Church we suggest that watchcare status continue for another year. Hopefully we can improve our contact and meet with them on a regular basis.

One of the newest congregations in Richmond County is the Abundant Life Baptist Church located on South Lawrence Street in Rockingham. Under the leadership of Doyle and Judy West they have made application for watchcare status. The A.M.D.P. Committee recommends they be placed under watchcare beginning October 22, 1990. It is hoped much attention can be given by us to help develop them as a cooperating church during this year.

There are areas of work under the A.M.D.P. that have given separate reports. These include Pastoral Ministries, Ministerial Scholarship, Migrant Ministries, Retirement Center Chaplain, Senior Adults, Prayer Task Force, Campus Ministries and Youth.

We ask for your continued prayer for the many mission projects in our association.

Ordination-Advisory Committee Report

The Ordination Advisory Committee of the Association recently was requested by Second Baptist Church to examine Dannie Hayes, and by Faith Baptist Church to examine William Dennis, III, each for ordination to the Gospel Ministry. The committee met on Monday, October 15, 1990, and conducted a two-hour examination of each candidate. Following the examinations the committee voted to recommend that Second Baptist Church proceed with the ordination of Dannie Hayes and that Faith Baptist Church proceed with the ordination of William H. Dennis, III. This was communicated to each candidate and to each church.

Resolutions Committee Report

Whereas, the Pee Dee Association has had a wonderful year of blessed fellowship and progress in our Lord's work, and

Whereas, we have had a wonderful meeting in this 175th annual session:

Be it therefore resolved that we express appreciation to the churches and committees having a part in the progress of the past year.

Be it further resolved that we express gratitude to the host church, Beverly Hills Baptist, for their Christian hospitality extended to the messengers and visitors at these sessions.

Be it also resloved that we express our appreciation to the Program Committee, the Program personnel, and to all our speakers, and especially to those on our State Convention staff and institutions; namely, Brother Jim Lambert, Larry Sawyers, Doug Russell, Edwin Coates and Sister Nancy Curtis.

Be it further resolved that we express our appreciation to our director of missions, associational office staff, officers and committees for their dedicated leadership.

And be it finally resolved that we express our continued prayers and support toward those who lead in the new associational year.

Respectfully submitted,

Christian Life Report

Christians are becoming more concerned about the many social, moral, economic and ecological issues facing our nation. A sense of personal moral responsibility has caused the individual to decide that perhaps. . .ONE PERSON CAN MAKE A DIFFERENCE! Their voice along with countless others are opening doors to opportunities which hitherto were closed.

The number one question today seems to center on human rights. Often times no consideration is given to the Biblical question of responsibility. Many times those most hard pressed have not one to stand up and speak for them and they cannot speak for themselves.

The moral issue of abortion continues to grow as thousands of unborn children are murdered with no thought of the true value of human life. At present the right of the mother to make that decision prevails; however, the courts seem to be moving toward a turn-around due to the pressure from those who take a different view on the sanctity of human life.

We are continuously moving toward a materialistic oriented society. As we move forward in technology we have partially realized the dream of Utopia. The problem is that the difference in the "haves" and "have not" has only widened. Hunger, disease and poverty are present everywhere. Even in a nation that is looked upon by others as a "land flowing with milk and honey" has not solved the problems within its own borders. Everywhere there is the cry of the children, the elderly, the sick and the helpless. What we do through our missions and Hunger support...DOES MAKE A DIFFERENCE.

Our wants have made serious in-roads in the ecological balance ordained of God. We must earnestly consider, not only ourselves, but the needs of future generations. Children and youth are beginning to realize the consequences of such radical mismanagement. The Bible says "and a little child shall lead them". Now is the time to join hand and heart for tomorrow may be too late.

Richmond Christian Family Life Center Report

In about three weeks, on November 10, the RCFLC will have been serving this community for four years. When it was first begun, I don't think that anyone involved thought the ministry would grow as it did. In fact, I think the only certain thing was that there was a need for a pastoral counseling service in this area. Responding to that need, the Center began.

Now four years later, we offer 22 hours a week to the community. We have opened a total of 325 files, including individuals, couples, and families. We have had folks as young as 6 and as old as 76 make use of the services of the this ministry. To each person who comes, we offer the best pastoral counseling services that we can provide. Combining theology with psychology, we try to understand each person's story as not only having meaning about their personality, but also saying much about their relationship with God. Working with these dual, intertwined paths, we try and help the person toward healing, both emotional and spiritual. Believing that both must be achieved in order for a person to live the abundant life in Christ, the healthy integration of a person's emotional and spiritual selves is the goal.

We are a satellite of the Department of Pastoral Care of NC Baptist Hospital's state-wide system of pastoral counseling centers. Any person working as a counselor at the RCFLC is either certified by or affiliated with the American Association of Pastoral Counselors. They may also hold certification by the NCAMFT or the AAMFT.

I want to thank each member church of the Pee Dee Baptist Association for their support of this ministry. But I do not want to thank you for myself, or for NCBH-DPC, I want to thank you on behalf of the 325 persons, couples, and families who have made use of this ministry. They are the ones who have benefited most directly from your support, your care. In a very real way, your support of this ministry has provided some folks a chance for something some of them had almost lost--hope.

Hope for less pain, for better family relationships, for enriched lives, hope that God's love is not just for others. For those 325, thank you. May God continue to bless you on your own journeys, and those of your churches as well. Thank you.
